City Will Be Asked To Contribute \$31,749 Toward School District; Estimate Expenditure At \$158,200

Government Will Contribute 50 Per Cent of Total Costs—Kelowna Liable for 47 Per Cent of District Liability—Committees Are Appointed at Special Meeting of Board—School Board Chairman Says That Sectionalism Does Not and Will Not Exist

ESTIMATES for expenditures are at best a touchy subject, and with Kelowna School District No. 23 it was no exception. Trustees of the School Board, at a meeting called especially for this purpose last Tuesday night, approved, after a lengthy review, the estimates for the period April 1 to December 31, the period during which the present temporary board holds office.

The necessary spending of \$158,200 was estimated, but with government assistance to the extent of \$60,200, the amount left to the school district to raise comes to \$98,000. Kelowna City is liable for \$31,749. This represents 47 per cent of the district liability, which proportionate basis was determined by the government to be fair and equitable. This amount, in addition to the 47 per cent, includes debt and health charges.

It is somewhat less than the estimate submitted before the city school district incorporated in the one large school district No. 23, following implementation of the Cameron report, and should represent to the city taxpayers a reduction of about seven mills for educational costs. The main reason for the reduction is the financial assistance of the government amounting to 50 per cent of the total costs.

Likewise, Glenmore is charged with 2 per cent of the \$60,200 required, and with health charges, will have to raise \$1,290.

Peachland's portion of the expenditures is 3 per cent, and with health charges, comes to \$1,978. Four per cent is charged to the rural areas, the total sum, with charges for health, being \$30,100.

No Sectionalism

The three municipal councils of Kelowna, Peachland and Glenmore will be expected to provide their respective required amounts, and the rural areas contribute the balance.

The School Board chairman pointed out sectionalism does not and will not exist, but the public at large should always bear in mind that the new School District is acting in the interests of the district as a whole. The Board explained that the \$62,000 total is the one to be primarily considered, because that amount is for the whole district, and this sum is broken down for apportionment purposes only.

Chairman Dave Chapman, in forming his committees, said that they were being set up to divide the work evenly. There would arise many emergencies, too, and the committee in charge of that particular matter would be expected to take the necessary action, such action to be approved by the subsequent general meeting.

An important committee, charged with the appointment of teachers, was formed under the chairmanship of James Brydon, Kelowna, and includes A. J. Chidley, Peachland, and E. H. Young, Glenmore. Mr. C. S. Matheson, Inspector of Schools, is part of the committee, and his task will be to make the recommendations for appointments, upon which the committee will act as it wishes.

Other committees, with their respective chairman in first place, were: properties; Bert McKim, Kelowna; R. J. Lynn, Westside; C. G. Nuyens, Central Okanagan, United; and Mr. Young, supplies; G. C. Hume, Glenmore; Mr. Chidley and Mr. Brydon, transportation; Mr. Hume, Mr. Lynn, George Day, Rutland, and Mr. Nuyens. Finance will be dealt with by the chairman and the whole board.

All But Three Of Vets Homes Could Be Habited, Survey Shows

No Further Word Received by Legion Over Cost of the Bankhead Houses

All but three of the 30 houses constructed in the Bankhead district under the Veterans' Land Act could be made habitable within half an hour. This was revealed last Friday after a representative of the Canadian Legion and the Kelowna Courier accompanied Ralph Brown, district V.L.A. supervisor, over the entire Bankhead area where the houses are constructed. The only houses that are not quite completed are three in the extreme north end.

No further word has been received from Ottawa by the Canadian Legion or by the local V.L.A. regarding the price of the homes, although a telegram received from Gordon Murchison, Director of V.L.A., Ottawa, stated that \$350 was to be added on to the original estimate. The three remaining houses will be ready within the next three days as the installation of electricity from the main lines is all that is holding these homes up. Electric light poles were installed recently, and all that remains is running the main wires into the houses.

A representative of the Canadian Legion said the ex-servicemen are willing to wait until Mr. Brown returns from Vancouver, but in the event no satisfactory arrangement can be made, they plan to hold a protest meeting.

When construction of the homes first started last year, they were supposed to have been built at a cost ranging from \$4,800 to \$6,000. Veterans are afraid they will now exceed this limit, but are waiting for the official prices to be released by the director of V.L.A.

Finance Expert Visits Municipalities To Get First Hand Information

Carl Goldenberg Shows Interest After Ending Two-Day Session on Provincial-Municipal Relations in City—Valley Municipalities Explain Why Districts Are "Bankrupt" Through Steadily Increasing Financial Obligations—Suggest Provincial Government Share Revenue on 50-50 Basis

CARL Goldenberg, chairman of the Royal Commission enquiring into the provincial-municipal financial relations, wants first hand evidence of conditions which exist in the various municipalities throughout the Okanagan Valley. After hearing briefs submitted to the Royal Commission from the Okanagan Union of Municipalities as well as every individual municipality throughout the Valley, he left Kelowna last Sunday afternoon en route to Kamloops for the next hearing. Mr. Goldenberg, however, did not intend to drive "blindly" over the roads. While in Kelowna, he obtained a fairly comprehensive insight as to the existing conditions, and he intended to pay particular attention to existing conditions as he drove through the various municipal centres.

Mr. Goldenberg, accompanied by A. C. Brisley, Commission counsel, and J. E. Brown, secretary, held a two-day session in Kelowna last week, a session which gave the municipalities a chance to explain why the various districts are "bankrupt" through the ever-mounting financial obligations with no financial relief in sight. Considerable interest was taken in the hearings. At one session the Provincial Court House was packed to capacity as the numerous municipal delegates submitted their briefs. Details of the Union of Municipalities brief appear elsewhere in this edition.

The Commission, which has been holding sittings throughout the province for more than two months, is expected to wind up the latter part of the month. Mr. Goldenberg will then return to Montreal for a short visit, but will come west again during the summer to write his report which will be presented to the Provincial Government in its Fall sitting—probably in October.

For many years the municipalities have been sitting back and watching their respective revenues gradually decrease, while on the other hand, the revenue to the Provincial Government has steadily increased. This was one of the main points brought out in all the briefs submitted to Mr. Goldenberg. The brief of the Kelowna brief, which was submitted last Thursday afternoon, appeared in last week's Courier.

In summing up the financial situation between the province and municipalities, the brief presented by the Okanagan Union of Municipalities thought that there should be something more approaching a fifty-fifty arrangement of both income and responsibility.

"The civic governments must have Turn to Page 5, Story 2

27 WARTIME HOUSES LEFT FOR VETERANS

115 Applications on File for Remainder of Homes, Says Housing Administrator

READY BY JUNE

Allocation of Homes Has Been Major Headache for Housing Official

Only 27 houses constructed by Wartime Housing Ltd. in Kelowna remain to be allocated, Rex Lupton, Housing Administrator, announced this week, when he released the names of the individuals who have been granted emergency housing. There are approximately 115 applications on file for the remaining 27 homes, and although these houses have already been allocated, the names have not as yet been released. Balance of the 100 homes will be completed by the end of this month, Mr. Lupton stated.

The allocation of the homes has been a major "headache" for the housing administrator, as there are bound to be complaints from people no matter who are allotted homes. A four-man advisory committee has been assisting Mr. Lupton in allocating the houses, and this committee has been meeting every week. Members of the advisory committee have been called in for personal calls by veterans who have been unable to obtain a house, with a view of exerting "pressure," but it is pointed out that every effort has been made to take care of the most urgent cases, taking into consideration, at the same time, the length of service of a returned soldier.

In spite of the fact all the houses have been allocated, veterans are still making applications to the Wartime Housing Administrator, and these will be filed in the event that some veterans give up their present houses, or if additional Wartime homes are built in the city.

The following veterans were allocated houses during the past week or so: D. W. Simpson, Army; W. Anderson, Navy; R. T. Lewis, Navy; R. D. Knox, Army; H. K. MacKinnon, Navy; T. A. Maxim, Army; N. C. Taylor, Army; R. Kendall, R.C.A.F.; L. Grievie, R.C.A.F.; R. P. Neuner, Army; R. W. Tate, Navy; T. B. Hamilton, R.C.A.F.; T. W. Watson, R.C.A.F.; N. J. Zwolsky, R.C.A.F.; A. Angus, Army; L. A. McClure, R.C.A.F.; Rolf Mathie, Army; J. B. Fleck, Army.

Bank of Montreal managers from branches in the Okanagan, Kootenay, Similkameen and Nicola Valleys and the Cariboo are meeting in Kelowna on Friday (tomorrow) to discuss problems and business practices.

The conference will be under the direction of officials from the office of the superintendent of British Columbia branches in Vancouver.

CITY TRAFFIC PROBLEM AGAIN DISCUSSED

Alderman Thinks City Will Have to Install Electric Stop Signs Shortly

PAINT LINES

Some Aldermen Favor Loading Stray Bicycles in Truck and Impounding Machines

Alderman R. P. Walrod thinks the time has come when the city will have to consider placing electric stop lights at several intersections on Bernard Avenue.

At a City Council meeting on Monday night, Mr. Walrod brought up the question of painting pedestrian traffic lanes at the intersections, with the idea of making it illegal for a motorist to drive through the lane if it were occupied by cyclists. He reported that many cities and towns in the United States have recently adopted this idea and that it is working satisfactorily.

However, the youthful Alderman thought the time is coming when the city will have to consider installing electric stop signs on Bernard Avenue, especially at the intersections of Ellis, Pendozi and Water Streets.

The question of confiscating bicycles that are left sitting against the sidewalks and impounding them, was also brought up for discussion. Some of the Aldermen were in favor of the police hiring a truck to load the machines into the city hall and impounding them, with the idea of teaching the offenders a lesson. During the past few months scores of bikes have been literally thrown on the sidewalk curb or against buildings and with the summer months coming on, Aldermen thought the condition would grow worse.

No definite action was taken at the Council meeting, but the Aldermen indicated that some action would be taken within the near future.

APPLE POOL CLOSED BY TREE FRUITS

\$10,235,852 Sent to Packing Houses—Packing Charge and Storage to be Deducted

The 1945 apple pool closed last week amounted to \$10,235,852, as far as B.C. Tree Fruits is concerned. However, A. K. Loyd, in releasing the figure, emphasized that this is not the amount which the growers receive, as from it, before remittance to the growers, the packing houses will deduct packing charges and storage charges.

Although the crop was considerably less in volume than that of 1944, the amount of money involved was the balance of a half million short of the 1944 figure.

In 1945 the apple pool covered 4,830,232 packages for a total of \$10,235,852. The previous year, 1944, the packages amounted to 8,013,558 for a total of \$13,851,974.

Four million, eight hundred and thirty thousand, two hundred and thirty-two packages of apples were packed in 1945, and the apple pool was closed this week by B.C. Tree Fruits Ltd. In the 1944 season 8,013,558 packages were involved.

The prices are considered generally satisfactory, crop having sold at ceiling prices.

In the prices quoted below, it should be emphasized that these are the pool prices paid by B.C. Tree Fruits Ltd. to the growers. These prices must come the cost of packing and some storage charges before the packing house remits the balance to the growers.

It is indicated that something about sixty cents would be a reason. Turn to Page 8, Story 2

Building Values Hit New High As Permit Issued For Building \$117,000 Packing House Here

TRADE BOARD PARLEY OPENS IN CITY TODAY

Canadian Chamber of Commerce Heads Confer with Valley Officials

MEET AT AQUATIC

Important Discussions Will be Held During Two-Day Conference

Some forty delegates from a score of Boards of Trade and Chambers of Commerce from the Kootenays, the Okanagan, the Nicola district and the Cariboo as far north as Prince George are gathered in Kelowna today for a two-day regional conference under the direction of the Canadian Chamber of Commerce.

The meeting, which is being held in the Aquatic lounge, will continue until tomorrow noon. In the afternoon the Okanagan-Mainline Association will hold a quarterly meeting of the Associated Boards of Trade of the Southern Interior will be held.

Heading the Canadian Chamber of Commerce party from Montreal is that body's president, C. Gordon Cockshutt, president of the Cockshutt Plow Company of Brantford, Ontario.

With him are Evan McCormick, field service manager of the Canadian Chamber of Commerce, Montreal; H. A. Purdy, of the Toronto office of the organization; Eric McGreer, secretary of the Calgary Board of Trade. The Vancouver Board of Trade will also have representation.

The delegates will be guests of the Kelowna Board at luncheon and dinner on Thursday and Friday. Friday evening there will be a general dinner meeting of the Kelowna Board at which Mr. McCormick will speak.

Local President

All members of the Kelowna Board are invited to attend all or any of the business sessions in the Aquatic lounge.

The conference will open this morning under the general chairmanship of W. T. L. Roadhouse, Kelowna Board president. After registration and greetings and the usual pre-conference formalities, the delegates will get down to work at 10:45 a.m. in a round table forum on "A Program of Work" for boards of trade. The discussion will be under the guidance of Mr. Purdy of the Canadian Chamber's Toronto office.

W. W. Smith, of Oliver, president of the Associated Boards of Trade of the Interior, will act as chairman of the luncheon at 2:30. Mr. McCormick will speak on "Citizenship Activities."

Back at the Aquatic, Eric McGreer, secretary of the Calgary Board of Trade, will conduct a session on "Members and Finance" at 2:15, while at 4:00 there will be a program on "Board of Trade Practice" under Mr. Purdy.

F. W. Waby, of Revelstoke, president of the Okanagan-Mainline Association, will be chairman of the dinner at night.

Friday morning Mr. McGreer will conduct a session on "Tourist Development" at 9 a.m., and at 10:45, Mr. Purdy will be chairman of a forum on "Agriculture Activities."

Mr. McGreer will speak on "The Place of the Secretary."

April Building Permits Total \$264,775 as Four-Month Figure Soars to \$795,938—Kelowna Growers' Exchange Building Huge Cold Storage and Packing House—Permits Issued for Construction of 25 New Houses During Month—Day's Funeral Home Constructing \$15,000 Funeral Parlor Here

TOPPED by a \$117,000 building permit issued to the Kelowna Growers' Exchange for the construction of a cold storage and packing house in the city, construction values last month once again rose to greater heights when permits valued at \$264,775 were issued at the city office. The monthly figure, which includes the construction of 25 additional houses in the city, brought the total four-month building figure to \$795,938—a record that has never before been equaled in any other city in the Interior of British Columbia. The April figure alone exceeds many 12-month totals, as yearly building values have jumped over the \$140,000 mark on only eight occasions during the past 20 years. Permits have been taken out for the construction of 102 homes since the beginning of the year, most of them ranging from \$3,500 to \$5,000, while many alterations are being made to business premises.

In addition to taking out a permit for the construction of a new funeral home, the Kelowna Growers' Exchange was issued two other permits, one for making alterations up to \$10,600 and the other for making repairs up to \$2,500. Day's Funeral Home was also well up the list, as it was issued a \$15,000 permit for the construction of a new funeral parlor.

The building figures last month were out of proportion to corresponding months in other years. The figure for April, 1939, when construction values totaled \$65,638. These figures, incidentally, only reflect the amount of building permitted, not the actual construction. If the new houses constructed on the outskirts of the city limits were taken into consideration, the construction value for April would be \$100,000. In the year in which the first of the year in Kelowna and district would already be well over the one million dollar mark.

Huge increase

The following table shows the increase in construction since 1928:

Year	April	Total to date
1946	\$264,775	\$795,938
1945	52,670	146,805
1944	37,145	95,415
1943	32,405	6,628
1942	25,710	65,941
1941	10,005	34,666
1940	31,870	60,330
1939	65,638	105,798
1938	11,310	50,605
1937	59,500	62,270
1936	5,380	19,400
1935	14,885	29,148
1934	10,631	21,798
1933	2,500	10,493
1932	2,928	10,065
1931	14,416	41,821
1930	9,205	27,095
1929	18,185	110,110
1928	12,420	4,020

It is probable the city will never see such a large increase in construction permits again. For many years Kelowna has been "holding its own" so to speak, but since the end of the war, the building trade has been going ahead by leaps and bounds.

Individual Permits

Permits were issued to the following individuals last month: W. Appleton, house, \$4,600; E. D. and Mrs. G. May, addition to house, \$900; J. F. Burns, house, \$3,000; Mrs. M. Streifel, house, \$4,000; H. F. Lind, house, \$4,500; Mrs. D. Ward, house, \$4,000; H. C. Cramp, house, \$3,000; H. Girard, addition to house, \$3,500; W. Haug and Son, coal bin, \$1,000; Mrs. P. Beedeen, house, \$3,500; M. Strangier, house, \$2,000; J. Lockert, reconstruction garage, \$100; Cecil Dodd, addition to house, \$1,500; R. S. and C. Ennis, woodshed, \$85; A. E. and C. M. Simser, house, \$3,000; J. J. Fehr, house, \$4,000; H. J. Wilson, house, \$3,300; Bert Rountray, addition to house, \$500; J. Erdmann, house, \$2,250; J. Bradeen, house, \$2,500; Tiny Linden, house, \$3,500; G. D. Loane, warehouse, \$1,500; G. D. Loane, addition to house, \$600; V. J. Reay, house, \$3,000; C. Smellie, porch, \$150; Mrs. V. Siewert, enclosure porch, \$100; C. Mewick, woodshed, \$100; Mrs. C. Mewick, move building, \$1,000; Bert Badke, house, \$4,000; Kelowna Growers' Exchange, alterations, \$10,000; Kelowna Growers' Exchange, make repairs, \$2,500; Mrs. O. G. Day, funeral home, \$15,000; addition to engine room, \$700; S. M. Simpson/Co., addition to planer shed, \$1,000; Red Signs, billboard, \$100; A. L. Knowles, boat house, \$50; H. P. Janzen, house, \$2,800; W. C. Welch, house, \$3,000; Kelowna Growers' Exchange, cold storage and packing house, \$117,000; M. Kroger, move building, \$750; J. J. Maier, house, \$3,000; W. Weisgarber, porch, \$125; J. F. Coates, cycle shop, \$5,000; P. N. Williams, house, \$4,500; L. Selznier, house, \$3,000; S. J. and M. A. Weeks, house, \$5,250; M. Dunne, fruit cellar, \$75; Mrs. C. S. Thompson, alterations to store, \$3,500; H. Girard, move building, \$750; Mrs. LeFevre, alterations to woodshed, \$100; P. Sawatzky, house, \$3,000; A. K. Kelowna and district would already be well over the one million dollar mark.

Growers Donate \$200 In Effort To Bolster Lagging Cancer Drive

Total of \$2,175.50 Donated by 328 Subscribers, Survey Has Shown

In an attempt to bolster the lagging Kelowna and District Cancer Campaign, the Kelowna Growers' Exchange donated \$200 toward the fund. C. E. Bull, chairman, reported Monday night, at a special committee meeting of the cancer drive held in the Board of Trade rooms.

Despite the fact the drive has been running since April 25, only \$2,175.50 has been contributed by 328 subscribers. Mr. Bull stated. Minimum objective for this district is \$5,000. "In view of the slow and disappointing progress being made in the drive, this generous donation of \$200 from the growers was more than welcome," he stated.

Mr. Bull pointed out that the number subscribing was small, but that those who did give, have been very generous. He lauded Westbank for having the largest number of donations to date.

As a result of the meeting, the time limit of the drive has been extended to May 18, and special steps are going to be taken in order to reach the desired \$5,000 objective, so that, as Mr. Bull put it, "Kelowna would be able to pull its own land and not have to rely on the rest of the province to assume part of the burden."

Donations can either be mailed or handed to A. H. Povah, at the Hospital Insurance Office in the Royal Arctic Hotel Block, the chairman informed.

PRESBYTERIAN CHURCH OPENS FINANCE DRIVE

The Presbyterian Church in Canada has decided to meet the challenge of post-war conditions by launching a forward movement in the church, combined with a peace thank-offering of two million dollars to provide the necessary material and support to make the forward movement possible.

The financial canvass in connection with the advance will be centered on the period of May 12 to 10. K. D. Carmichael, Vernon, has been chosen by the Kamloops-Okanagan Presbytery to head up the canvass in the Valley. Although no personal canvass will be made, contributions should be sent to Mr. Carmichael at Vernon, where an official receipt will be issued.

The "Advance" plans a program of evangelism and education to stir and strengthen the church's life. Across Canada various rallies, conferences and evangelistic services have taken place to quicken all members of the Presbyterian Church for a new witness in their homes and communities.

TO REVISE STATUTES

VICTORIA—J. Pitcairn Hogg, K.C., Legislative Counsel, will shortly start the enormous task of revising and bringing up to date British Columbia's voluminous statute books. This is done every 10 years. In 1937, A. V. Pinco, then Legislative Counsel, revised the statutes. A revision of the statutes means the putting into place of all the amendments to acts and the new acts passed at ten legislative sessions.

Issue Rutland Temporary Airfield Licence For Small Planes Providing Certain Improvements Made To Field

Rutland B.C.F.G.A. Behind Efforts of Two Air Force Officers in Starting Flying Club—Department of Transport Says Development, Grading, Smoothing of Two Landing Strips 2,000 Feet Long Will Be Necessary—Must Remove Obstruction and Install Boundary Markers

RUTLAND—Prospects for the development of the Rutland landing field became bright during the past week with the receipt of word from W. S. Lawson, Department of Transport, that the field would be issued a temporary licence for use by light aircraft, if certain improvements were carried out. The letter was sent to Andy Duncan, who is planning, in association with Al Houlden, a former R.C.A.F. instructor, to establish an "Airpark" for the accommodation of tourists and others.

Included in the letter were maps of the field, including an air photograph, setting out the proposed runways. A copy of the letter was also received by A. W. Gray, chairman of the Rutland B.C.F.G.A.

Mr. Lawson said a temporary certificate of licence will be issued on completion of the following requirements:

1. Development, grading and smoothing of two landing strips not less than 2,000 feet long by 500 feet wide, with loose rocks removed.
2. Removal of pole line and other obstructions along the road on the east boundary of the site.
3. Wind indicator erected.
4. Boundary markers installed to indicate landing area.
5. Refueling facilities provided and telephone made available.

The Rutland B.C.F.G.A. local is backing the efforts of the former Flying Officers to develop the field, and will back them in every way to obtain the removal of the pole line, the acquisition of the required property, and the eventual moving of the road allowance to the east of the field. The landing field has been used several times during the past week by Carl Agur's Tiger Moth plane. On Sunday, C. R. Hoover, of Edmonton, owner of a big plane, which is at present in Penticton, was flown here by Gordon Anderson, of Penticton, in Agur's plane, the plane taking off during the course of the baseball game and circling the ball park before heading south again. On Monday afternoon Agur landed his plane here again, and stayed until Tuesday morning, discussing plans for the field with Andy Duncan.

Sale of the Rutland United Church property has been made to Mrs. W. Murray, of Kelowna. The sale is subject to official approval of the Presbytery. It is understood that Mrs. Murray is acquiring the property for her son. The property fronts on the main road, and extends to the back of the lot adjoining the Rutland Park and swimming pool. The building was formerly a public school.

Mr. and Mrs. Len McKillican, of Oliver, are visitors to the district, staying at the home of Mrs. R. Urquhart, Mr. McKillican's sister.

The "Park Day" organized for Saturday last did not bring out nearly as many residents as it should have, but a considerable amount of work was done by those attending. Some 40 young shade trees, mostly maples and horse chestnuts, were planted around the borders of the park, filling all gaps on three sides and a half row on the north of the field. Some gravel was hauled to fill in the holes in the roadway, and tractors driven by John Hartman and Toshio Yamada, of the front three acres of the grounds, a part that had not previously been levelled or seeded.

This will be levelled this week by tractor owners who were unable to come out on Saturday, and then will be seeded to crested wheat grass. It is planned to put two softball diamonds on this part of the field. School children picked pebbles off the baseball field, and members of the ball club prepared the diamond for the game scheduled for Sunday. The trees that were planted were donated by the Kelowna Park officials from their tree nursery. The piping for the proposed watering system was not on hand, and nothing was accomplished in this connection. Unfortunately, another "bee" will be organized for this purpose in the near future.

The Guild of St. Aidan's Anglican Church met at the home of Mrs. R. G. Bury on the Belgio Bench, on Thursday afternoon, May 2. There was a good attendance of members, and sewing for the forthcoming sale of work and flowers was distributed to the members. Refreshments were served by the hostess at the close of the meeting. The Guild will meet next at the home of Mrs. J. G. Garner, on the first Wednesday of June.

John F. Guest is a visitor to the district, arriving Saturday from the U.S.

The Rutland branch of the K.G.E. has a crew of sisters and sisters engaged in kalsomining and labeling old boxes, which will be used for Cee grade fruit.

Blossom is heavy in most sections of the district, though a few report light prune and crab apple blossom. The weather during blossom period, so far, has been ideal and the district is undoubtedly at its best at this time.

The United Church was the scene of two christenings on Sunday last, when Rev. J. A. Pettie administered the baptismal sacrament to Sheila Marie Miller, infant daughter of Mr. and Mrs. Ray Hogg, and Sandra Jean Walrod, daughter of Mr. and Mrs. W. W. Walrod. At the same service three new members, Jean

Satisfaction or Money Back

If YOUR skin has broken out with ugly surface pimples — rashes — caused by internal impurities or if you suffer from an externally caused itching, burning skin soreness, go to your drugist and get small bottle of Moore's Emerald Oil and use as directed. Soon you'll find the trouble-promoting faster healing. Use for ten days and if then you are dissatisfied, Money Back. Stainless — creaseless — all drugists.

Orders for week commencing Friday, May 10, 1946:

Duties: Orderly Patrol for week, Lynx; next for duty, Beavers.

Rallies: The Troop will rally at the Scout Hall on Friday, May 10, at 7.15 p.m. for the Investiture Ceremony and to make final arrangements for the trip to Vernon on Saturday, the 11th instant. The regular weekly rally of the Troop will be held at the Scout Hall on Tuesday, May 14, at 7.15 p.m. The rally called for Friday, the 10th instant, is to take the place of the one on the 7th instant, which we cancelled on account of absenteeism at the musical festival.

Attention is drawn to the advertisement in this issue of the Courier calling a meeting of all interested in Central Okanagan in the formation of a local association for our district. Executive Commissioner R. Ken Jordan will be present at this meeting, and we do hope that there will be a good turnout of parents and friends interested in our movement. We feel quite sure that most of our citizens would like to see the movement established on a firm basis in Central Okanagan, and with proper organizations the local will be spread over a greater number of people, which in turn will be a wonderful help to those Scouts who are actually carrying on the work of the group.

Our mountain hike this year will have to be held in the month of July as Mr. Cameron will be away for the whole of August. We shall, therefore, try and make arrangements to hold this hike and camp during the last week of July, but no definite date has yet been fixed.

The Rutland Junior High football team, under their coach, Claude Bissell, journeyed to Vernon on Saturday last to take part in a tournament for the North Okanagan Junior football championship. The local boys walked away with the Rotary Trophy, emblematic of the championship, by winning against their three opponents, Vernon, Armstrong and the Vernon Preparatory School (Mackies) in a "round robin" contest. The opposing teams failed to register a single goal against the Rutland aggregation. Players on the local team were: Ephraim Day, Glen McMillan, Tony Brummet, Tony Schonberger, Ron Ellert, Donnie Gillard, Ron Bal-four, Tom Tamagi, George Rieger, Johnder Basran, Taki Ikenouye, Ernest Day, Hugh Fitzpatrick and Billy Hush.

Two new teachers have been added to the local staff. They are Miss Iona Wright, of Vancouver, and Miss A. Ireland, of Armstrong. The first named is taking part of Grade II, while the latter is replacing Mrs. Pynn, who leaves shortly for the East.

The home of Mrs. E. Mugford was the scene of a very enjoyable tea on Monday, May 6, in honor of her daughter, Mrs. Colin Langdon, of Vancouver.

Miss Jean McDougall returned last week from Edmonton with the close of the University of Edmonton's term.

Another new business has been added in Rutland this past week with the opening of a store opposite the school grounds by J. Hanet. The store will specialize in school supplies and groceries.

MINING TOWN STAGES COMEBACK

VICTORIA—Major George Nicholson, of Zeballos, West Coast of Vancouver Island gold mining town, which is now staging a comeback after a quiet period during the war, has by Provincial Government order-in-council, been appointed a member of the management board of Zeballos Hospital.

Order-in-Council appoints Kenneth Douglas MacRae, of Smithers, to be gold commissioner and mining recorder for Omineca; water recorder and hospital director of Hazelton; land commissioner of Smithers; registrar of voters of Skeena; district registrar of births, deaths and marriages for Smithers; clerk of the peace in and for the County of Prince Rupert; and Government agent at Smithers.

Elsie W. Hansen, postmistress at Edgewater, has been appointed special commissioner for taking affidavits.

Radical Changes in Municipal Financing Suggested In Briefs

Following is the text of the brief presented by the Okanagan Union of Municipalities to the Goldenberg Commission which sat in Kelowna last week enquiring into the Provincial-Municipal financial relationships.

Text of Brief

The appointment of a Commission to enquire into this subject is welcomed by our Association as being a step, which if followed, will lead to great improvement in the financial condition of municipal governments and consequently in the situation of the property owner.

Under existing conditions cities and municipalities find it difficult in "carrying on" to meet ordinary needs. When the heavy requirements of an after-war period must be met it can readily be realized that municipal governments are in a serious position.

How has this come about? The answer is comparatively simple. Although the population within organized districts has increased to a tremendous degree, the total revenues of such areas have remained relatively static. The provincial revenue has meantime increased by leaps and bounds. The cities and municipalities now find themselves required to care for the needs of a greatly increased population but without the means of doing so.

To the suggestion that we increase property assessments and thereby property taxation we reply that in most districts throughout B.C. property taxation is already a considerable burden upon owners. To advance it further, in any appreciable degree, would be to stifle development in the way of home and industrial building and improvement. Agricultural owners within organized territory already complain of the great difference in taxation between farm lands in organized sections and unorganized territory. The provincial government has of course no right to tax the municipalities must rely chiefly upon an impost upon property.

Our proposal in brief, in order to remedy the existing condition which bears so heavily upon the organized local governments is that the province make available to them upon some permanent basis an even share of the funds which the province receives or will receive from the Dominion in respect to income tax. Failing this, that the province divide with the municipal governments upon some permanent basis, the receipts from such revenue sources as motor licences, pari-mutuel tax, liquor sales, etc. Further, that the Province lift from the shoulders of the local governments such expenditures as are required for education, social service, public health, etc.

It is our belief that under conditions existing today, the municipal governments within this province require relief to the extent of approximately \$12,000,000 per annum. The million dollars, by way of a share in provincial revenue or relief from provincial responsibilities or both.

Your Committee proposes now to elaborate upon this idea. During the past twenty-five years there has been a steady and progressive encroachment by the Provincial Government into the budgets of municipalities. This encroachment has been so gradual that the full impact of its effect can only be grasped by referring back to the relative income of both at the time this condition began.

In 1924 the total receipts of B.C. municipalities, excluding Vancouver, reached \$22,507,000.00. The provincial revenues for that same year stood at \$19,236,000.00. This ratio was maintained until 1938. The annual revenue of the Provincial Government had been a less amount than the combined cities, districts, and villages, excluding Vancouver, provided all through provincial history until 1938. In that year, for the first time, the provincial income exceeded that of the combined municipalities.

Income

The following table shows the provincial income and the municipal income from 1938 to 1943, inclusive:

Year	Provincial Income	Municipal Income
1938	\$25,982,000	\$22,507,000
1937	28,102,000	22,712,000
1936	31,036,000	21,906,000
1935	32,639,000	21,988,000
1934	32,626,000	21,930,000
1933	36,236,000	21,623,000
1932	38,763,000	22,723,000
1931	40,000,000	23,100,000

(Vancouver not included)
Subsequent years have followed the same pattern. For instance, the provincial revenue for 1945 aggregated forty-two millions, marking still an upward climb. Municipal revenues have remained about as they were. Since 1942 provincial revenues have doubled, but municipal revenues have shown virtually no increase whatever.

Meantime, the population of the Province has greatly increased, nearly all of this increase being within the organized territory. In 1920 approximately half of the Province's population was within incorporated districts, the other half being in unorganized territory. Today seventy-eight percent of the population is within the cities, municipal districts and villages.

Not only have municipal revenues remained about as they were but new cost burdens have been placed upon the incorporated areas by the Provincial Government, particularly with respect to health matters and social service. Coupled with this steady growth of new responsibilities transferred to the municipalities by the Province there has been the withdrawal of certain grants. Our experience has been that when the government imposed new burdens upon us, it at the same time provided grants in amelioration. But invariably, in due time, the grants disappeared while the load of cost and responsibility remained upon our shoulders.

In view of the fact that the bulk of the increase in provincial revenue in the past decade came from organized territory we feel that we are being unfairly treated by our parent government and are not given an opportunity to cope with our municipal needs at this time of heavy demand.

Comparison of Debt.—The annual cost of servicing the gross debt of the Province is \$6,019,950.00—that for the municipalities is \$4,489,168.00. These figures, when taken in connection with the gross annual in-

come, would show that the greater proportion of debt burden is borne by the municipalities.

Municipalities must also pay higher interest charges, which on existing debt average 4.4% as compared with a provincial average of 3.0%.

According to a recent statement by the Honorable Mr. Hart, B.C. Premier and Minister of Finance, the per capita provincial debt is \$137.00.

Based on a total municipal debt of \$100,809,571.00, the municipal per capita debt is \$102.00, if the 1941 census (421,504) is considered or \$140.00 if the 1944 estimate of 717,950 is the accepted figure.

This per capita municipal debt would appear to be due for a sharp increase because of the amount of new work in the "must" category.

Revenue Drain.—An example of requirements in expenditure can be obtained from the following figures of four communities within the Association.

	1944 Gross	Needs in
Kamloops	\$231,200	\$700,000
Penticton	621,226	950,000
Vernon	255,118	850,000
Kelowna	268,000	850,000

Requirements are for schools, hospitals, sewers, surfaced roads, etc.

To bring the municipalities of B.C. up to date on the present method of financing means increasing their per capita debt to approximately \$300.00.

It is generally conceded that municipal gross revenues are one-third below the total necessary to meet today's needs and give adequate services to our citizens.

It is interesting to note that in his Budget speech this year Premier Hart stated that the gross debt of the Province had been cut by \$11,129,625.00 since 1933 (11 years). At the same time the cities, districts, villages and Vancouver have reduced their gross debt from \$127,917,933.00 in 1940 to \$100,809,571.00 in 1944, being a reduction of \$27,108,362 in four years.

The total gross debt of cities, districts and villages and Vancouver now stands at approximately 45% of their borrowing power. The municipal areas have refrained from seeking to borrow during the war. This accounts for the reduction. At the same time this accounts for the condition of roads and equipment, in the overdue needs on every hand.

With the emergency past, facilities and help must be granted so that the municipalities may have access to money markets, to cheap money. Further, they need expanded annual revenues in order to ensure their repayment position.

It is our suggestion that the Provincial Government extend its support to municipalities for borrowing, as and when requested, providing that the government department is satisfied as to the importance of the need and validity of the situation. This would permit small districts to obtain funds at low interest rates, providing that they were willing, in respect to the issues, to accept an amount, or government supervision and control.

This, however, is outside of the position of larger municipal bodies which may not require government backing nor be willing to accept provincial control in payment of the loan. We feel that you might do well to look into the ramifications of this situation and propose changes which are certainly needed. The government is apparently assuming more and more control of municipal affairs. It is doing this through the office of the Deputy Minister of Municipal Affairs or he is acting on his own. Either is unjustifiable, so long as the municipalities concerned are within the borrowing power set up for them in the Municipal Act.

We quote as follows a clause in the Act relating to the authority of the Inspector of Municipalities:

Part Six, Clause 179:—

"The Inspector of Municipalities may in his discretion, upon consideration of the economic circumstances involved, refuse to grant his approval if he considers that the debt proposed to be created by the by-law should not be so created in whole or in part, or he may, in his discretion and upon like consideration withhold his approval until the amount proposed to be borrowed is reduced in amount and the terms of the by-law as to repayment or otherwise are altered or amended to his satisfaction and in accordance with his directions."

Manifestly the above clause was worded purely from the viewpoint of civil servants rather than for the benefit of the taxpayers. We consider that no such restriction should be imposed by law. We believe that the power of the Minister or his deputy or the Inspector should be restricted to the solvency of the municipality concerned, the limit of its borrowing power and the compliance with technical requirements of various pieces of legislation.

If the government gave guarantees for loans, such interference could be justified. Otherwise it is merely creating the possibility of dictatorial methods displayed by civil servants.

We have noted instances where municipalities with only ten per cent of their borrowing power used have been checked by the Department.

The clause in the Municipal Act should be radically altered to eliminate such restrictive power or at all events take it away from the Inspector of Municipalities and place it, in milder form, with the Minister himself.

The Act, it is true, provides for an appeal to the Lieutenant Governor-in-Council but the practical possibilities of such a course are limited. An appeal means a delay in by-law presentation, creates doubt among taxpayers without warrant, and in any event is somewhat uncertain of success, most governments being reluctant to upset a course once it is adopted by a departmental official. To begin with, no official should have such power over an autonomous body such as a City Council.

The Question of Grants

Allusion was made earlier in this submission to the fact that the practice of the government has been to extend grants for municipal assistance, particularly when new responsibilities were thrust upon them; subsequently removing the grants but still leaving the responsibilities.

While grants are in a sense frowned upon as being a somewhat unsatisfactory method of financing, the grants were formerly received from pari-mutuel, motor licences and liquor profits do not come within this category. These grants should be ours by moral right, being the result of an agreement arrived at between the government and the municipalities for the division of such revenues.

The history of our loss in this connection is as follows:—

Motor Licences

Under the Municipalities Aid Act passed December 3rd, 1921, the municipalities received for road maintenance a percentage of the aggregate of licences collected in respect to motor vehicles other than motor cycles. This third was apportioned to the municipalities according to population.

In 1930 the Act was amended so that the aggregate amount paid in one year to the municipalities shall not exceed \$570,000. If the act had remained in unaltered form, we would be receiving more than twice as much as the Government now gives.

Pari-Mutuel Tax on Racing

Under the Municipalities Aid Act of 1921 one third of the pari-mutuel tax was to be paid to the municipalities. An amendment in 1925 provided that the expenses incurred in the enforcement and collection of such taxes would be deducted from the aggregate taxes to be divided. In 1932 an amendment provided that the aggregate amount paid to the municipalities in any one year would not exceed \$170,000. In 1933 the Section giving a percentage of this tax to the municipalities was repealed.

Liquor Profits

Under the Liquor Control Act, passed in 1921, one half of the profits went to the municipalities, of which fifty per cent was to be used for hospital purposes. An amendment in 1922 gave 35 per cent to the municipalities, 15 per cent to the hospitals. In 1924 the Act was changed so that the amounts required for the Mothers' Pension Act would be deducted before apportionment of amount for municipalities. In 1929 the percentage to the municipalities

was reduced to 23 per cent. In 1933 the Section giving a percentage to the municipalities was struck out.

Thus the story goes. A start is made by legislative grants to help municipalities in lieu of other sources of revenue and because of new cost burdens handed them. Year by year there is a whittling down and then the grant finally disappears.

We will produce figures to show the sundry revenues of the B.C. Government for the ten year period from 1933 to 1943 with respect to Motor Vehicle Act, Liquor Act, Amusement Tax, Gasoline Tax and Race Tax. We will also give figures indicating what the grants to the municipalities from motor licences, pari-mutuel and liquor profits would have been from 1921 to 1943 inclusive, as based upon a continuance of the arrangement in the 1921 Act.

In 1943 alone the municipal revenue from these three sources, based on the 1921 agreement, would have been \$5,274,417.00. Actually it only totalled \$570,000.00 (share motor licences). This marks a loss to municipal governments of \$4,704,417.00. The loss for 1945 was more than five millions.

Turn to Page 11, Story 1
The Business Girls Circle of the First United Church held its regular monthly meeting on Monday evening, at the home of Mrs. W. Lloyd-Jones on Ethel Street.

Visitors in Kelowna this week from Edmonton are Mr. and Mrs. H. D. Davis, who are registered at the Royal Anne Hotel.

WANT TO GET RID OF PIMPLES?

Try this simple method. Results may surprise you!
If you have pimples, blemishes or blackheads, try this proved way. Cleanse with mildly medicated Cuticura Soap as directed, then apply Cuticura Ointment. Preferred by many nurses! At druggists everywhere.

ROEG'S GALLERY

1. Mr. Roeg—as he looks to the waitress at "The Coffee Pot." (At first glance you wouldn't say that Mr. Roeg is a particularly prize specimen.)

2. Mr. Roeg, as he looks to the office force. ("What's biting old Simon Legree," they would say. "Jumpy as a trout!")

3. Mr. Roeg, as he thinks he looks. ("Gotta slow down," he mutters, "guess I've been hustling too much. Better drop in and see the Doc.")

4. Mr. Roeg as he looks to the doctor. ("While plenty of folks can drink tea and coffee with no ill effects," the doctor says, "you're not one of them. Switch to Postum! It contains no caffeine or stimulants of any kind.")

5. Mr. Roeg as he looks to his wife that night. ("Darling, you've lost your job," she exclaims. "Worse," he replies. "Doc says I gotta cut out tea and coffee.")

6. Mr. Roeg as he looks after his first good swallow of Postum. ("Well, well!" he says to his wife. "I'm glad that Doc put me on Postum. It's a grand-tasting, he-man's drink, with a fine flavor all its own.")

Postum is easy to fix—make it right in the cup by adding boiling water or hot milk. And remember, it costs less than 1¢ per serving.

"AT FIRST I WOULDN'T BELIEVE IT!"

"I'm from 'Missouri'. So, when I heard people raving about the *brisk* flavour of Lipton's Tea, I had to try it myself. Now, I understand what they mean by *brisk*!"

Yes, *brisk* means all the difference between the lively, full-bodied flavour of Lipton's Tea and ordinary, flat-tasting teas. Tea experts agree that Lipton's has *brisk* flavour, always spirited and tangy, never flat or insipid. So try *brisk* tasting Lipton's Tea today.

SCHOOL TRACK ELIMINATIONS ON SATURDAY

Preparations for Valley School Sports Meet on May 18 Now Complete

All preliminary preparations for the Okanagan Valley Schools Track Meet in Kelowna's City Park, on Saturday, May 18, are completed, according to James Logie, Kelowna High School principal.

There is still the possibility, he said, of more trophies being put up for competition, principally from Penticton.

The interest shown by Kelowna students has been mounting steadily, and the track teams are very promising, though the final eliminations do not take place until this Saturday, May 11.

"I don't expect any records to be set, but just the same, I think Kelowna will go places. Vernon will provide the toughest competition. They have been practicing studiously for two months," Mr. Logie added.

KELOWNA TEEN TOWNERS SPLIT FASTBALL GAMES

Fastball may be locally in the throes of organization, but Teen Town took the bull by the horns and opened their own league play, but had to be satisfied with splitting with Vernon on the day's happenings last Sunday.

The senior girls from Vernon Teen Town whizzed everything they had at the local Teen Town female aggregation, and left the latter very much in a dazed condition, with a 28-10 score.

Kelowna held their own for four innings, and then the bottom fell out. Vernon earned the victory with smooth hitting and fine hitting.

The boys salvaged what was left of the day for the local Teen Towners by taming Vernon 16-13 in a late afternoon game at the City Park Club. Teen Town champions, gave a creditable performance in coming from behind in the eighth inning and going on to cinch the outcome, and restore some great measure of local self-respect.

The senior boys and girls will be the guests of Penticton Teen Town at a "double header" this Sunday, and the juniors are journeying to Vernon for games, also this coming Sunday.

Mrs. G. G. Chamberlain, of New-
port, Oregon, is a visitor in Kelowna this week, a guest of the Royal Anne Hotel.

Rutland Outscores Kelowna 13-5 In Opening Game Of Senior "B" Baseball League Last Week-End

Display Explosive Batting Power to Command Play Throughout Nine Innings—Game Transferred to Rutland Field After Local Park Unavailable—Many Errors Make Play Far From Brilliant—Bach and Wostradowski Prove Outstanding for Rutland—Local Pitchers Nicked for 13 Hits

DISPLAYING explosive batting power Rutland trampled Kelowna into the dust of the Rutland Ball Park by a score of 13-5 in the opening game of the South Okanagan Senior "B" Baseball League on Sunday afternoon. Though Kelowna's home game, the contest was played in Rutland, the local park being unavailable at the last moment.

Plenty of errors, partly caused by the roughness of the field, made the game for Kelowna, and perhaps the Kelowna nine, with fingers like butter in the day's melting sun, were affected more than they would admit by the loss of the one hour's sleep in the transition from standard to daylight saving.

No small credit goes to the "old work horse" Bach, and Wostradowski, who pitched one inning, for limiting Kelowna to eight scattered bingles, Chaubin and Gourlie, on the other hand, seemed to be continually in hot water, and were nicked for thirteen hits, three of them, a single, double and triple, coming off the stick of Rutland centre-fielder Lingor. Sparking Kelowna in the futile bid for the opening was Ladouceur, who hit two-for-five, scored two runs, and batted one run in.

Both teams scored in the first. Rutland made two runs on an error, a double by Kitsch, and another error, and Kelowna also scored twice on two hits and an error.

It wasn't until the fifth inning that Rutland bolted into the lead with a double by Kitsch, and another error, and Kelowna also scored twice on two hits and an error.

They didn't treat Gourlie any better, and punched in five more on six hits, including two doubles and a triple, three in the eighth, and two in the last.

Kelowna rallied in the eighth, and with three runs made the score look a little better. Ladouceur singled to centre field; Culos hit a fly to short left field, and Ian McKay slashed a ground ball to right field, scoring Ladouceur. White, batting for Gordon McKay, grounded out, but drove Culos in. Hewer got to first on a play. The tagged McKay, he was stretching for home plate. Hewer advanced to third on a single by Madsen, and came in with Kelowna's last run on a bad throw to the third baseman.

COAST HOOP SQUADS WIN CAGE TITLES

Victoria Dominos and Vancouver Hedlunds Win Dominion Basketball Crowns

Dominos and Hedlunds are high and mighty conquerors of all they survey in the realm of Canadian basketball.

Surprising no one, the Dominos from Victoria and Vancouver's Hedlunds romped all over opposing teams from west to east, and without hardly working up a good sweat, came back home as Canadian men's and women's senior hoop champions respectively.

As smooth a team as seen anywhere in Canada in years, Victoria displayed too much speed, experience and deadly accuracy for all who dared come up against them. Assumption College, of Windsor, was permanently impressed with the sharpshooting of the deadly Doms last week, as they meekly bowed out of the Canadian finals in three straight, 53-35, 51-37 and 41-28.

Saturday's 47-38, Victoria didn't even come near losing a game, and during their tour, and for the fifth time, they are worthy champions of the Dominion. Flashy Norm Baker, considered by many as one of the best pointguards on the continent, led the Vics all the way.

Hedlunds, after their fifth consecutive women's senior basketball championship, lost one game in their trek, but had to only for as Winnipeg and the Western finals to capture the Canadian crown. They walloped the Winnipeg Pugs with a clean sweep of 42-17, 30-23 and 41-26 scores, last week, winning the western title. But no eastern team challenged, so they were re-awarded the Underhill Trophy, emblematic of Canadian supremacy.

Mr. and Mrs. George D. Herd, of Oliver, spent the week-end in Kelowna, guests of the Royal Anne Hotel.

Future Plans Embodied Around Breakwater, Members Are Informed

Members of the Kelowna Yacht Club learned at a special meeting held in the Aquatic Lounge Wednesday night, May 1, that the first and most important barrier to be overcome before their plans can bear fruit is the construction of a breakwater. And unhappily enough, there isn't much more the club can do to hasten the construction of this project.

One of the club's executives, Geo. Sutherland, spent some time with K. W. Morton, resident Dominion engineer, in New Westminster, reporting on his interview with the engineer. Mr. Sutherland said that no definite commitment one way or the other was given, but that the outcome could not be called discouraging. Mr. Morton suggested that a letter from the club, endorsed by the city, would be considered.

Such a letter did bring an engineer to survey the project. As a formal brief, giving all information, the purpose, needs and place of construction of the planned breakwater, be submitted with the approval of the City Council, and then the government would do what it could.

The government policy, the meeting was informed, is to provide facilities of this kind for public use, and that is why the city must act in this matter. But some organization, such as a yacht club, could be delegated to assume responsibility for the breakwater area. The city, it is reported, is in favor of the idea and is willing to lend any support it can.

Apparently, though, the help the city can give will not be of a financial nature—this year anyway—for club president, Dr. C. D. Newby, announced that the city had been forced to delete the appropriation for a new slip way from the estimates, as the estimates are being drastically slashed to try to balance this year's budget.

Realizing that the breakwater is possibly a long way off, the meeting went on record as approving a long term building policy, the first consideration being the breakwater and dredging. All other improvements are contingent upon these.

To better consolidate their com-

LAWN BOWLING SEASON OPENS AT PARK TODAY

Monday Evenings Again Reserved for Ladies — Expect Good Season

Lawn bowlers will gather for the official opening of the Kelowna Lawn Bowling Club today (Thursday) at the bowling green in the City Park at 2 p.m. Play is expected to continue on into the evening.

According to club reports, the prospects for the coming season appear bright, and a large membership seems likely.

Monday evenings have again been reserved for ladies' night.

The weekly feature event will be the Commercial League, which proved popular for the past two years. Teams from most of the club organizations in the city will be competing, including those from the Gyros, Canadian Legion, A.O.T.S., Kelowna Club Rotarians, S.O.E., and the Jaycees. Tuesday evenings have been reserved for this league. The greens are open to the public, for casual bowling, upon payment of a green fee, and full membership, on payment of regular subscription, is available, the executive advised.

BOXLA PLAYERS WAIT FOR CITY TO FIX FIELD

Two things remain yet to be taken care of before lacrosse will function properly in Kelowna, a boxla official said this week. Reports of organization from the cities to the north are heard from, no definite information about the operation of an Okanagan Valley League or its schedule could be given.

Pointing out that more and more players are turning out for practices and that enthusiasm is mounting noticeably, the fact still remains that the box is in desperate need of repair, and the city has been unable to do anything about it, as yet.

"We realize how busy they are," he said, referring to the city engineer's office, "but we are willing to do all the necessary work, if only they would provide the necessary wire netting, asphalt repair materials, etc. If we got the stuff, we would fix up the field."

Arrangements have finally been completed that a box lacrosse game will be played between Kelowna and Vernon at the City Park on May 24 in conjunction with the Gyros celebration.

PREDICT GOOD TENNIS SEASON

The best season in years is predicted by local tennis officials. This forecast was made on the basis of the large turnout of 35 entrants in the recent tournament, and juniors, at the official opening day last Sunday.

Another contributing factor was the return of many popular and zealous players, including Dick Stubbs, Bus Taggart, Charlie Morrison, Gordon Munro and Mickey Van Der Vliet.

All five courts are reported to be in first class shape.

A meeting has been called for early next week to draw up plans for tournaments and inter-city competitions.

Miss Helen Waters, of Calgary, spent a few days in town during the week and returned to her home on Monday evening.

Yacht Club Waiting For Gov't Action To Build Local Breakwater

Members of the Kelowna Yacht Club learned at a special meeting held in the Aquatic Lounge Wednesday night, May 1, that the first and most important barrier to be overcome before their plans can bear fruit is the construction of a breakwater. And unhappily enough, there isn't much more the club can do to hasten the construction of this project.

One of the club's executives, Geo. Sutherland, spent some time with K. W. Morton, resident Dominion engineer, in New Westminster, reporting on his interview with the engineer. Mr. Sutherland said that no definite commitment one way or the other was given, but that the outcome could not be called discouraging. Mr. Morton suggested that a letter from the club, endorsed by the city, would be considered.

Such a letter did bring an engineer to survey the project. As a formal brief, giving all information, the purpose, needs and place of construction of the planned breakwater, be submitted with the approval of the City Council, and then the government would do what it could.

The government policy, the meeting was informed, is to provide facilities of this kind for public use, and that is why the city must act in this matter. But some organization, such as a yacht club, could be delegated to assume responsibility for the breakwater area. The city, it is reported, is in favor of the idea and is willing to lend any support it can.

Apparently, though, the help the city can give will not be of a financial nature—this year anyway—for club president, Dr. C. D. Newby, announced that the city had been forced to delete the appropriation for a new slip way from the estimates, as the estimates are being drastically slashed to try to balance this year's budget.

Realizing that the breakwater is possibly a long way off, the meeting went on record as approving a long term building policy, the first consideration being the breakwater and dredging. All other improvements are contingent upon these.

To better consolidate their com-

mon interests at Regatta time, Dr. L. A. C. Pantown was chosen to represent the Yacht Club at meetings of the Aquatic Association, when plans for the Regatta are being formulated.

Secretary S. V. Hubble and Harry Mitchell were instructed to apply for samples and prices of a pennant for the club, such pennant to embrace the colors of black and gold, with a third to be chosen later.

Publicity for the club has apparently been of far reaching effect. Dr. Newby advised that as a result of it, the Toronto Board of Trade had written the club for information regarding construction and list of officers.

Every FATHER

...should answer these questions:

"How much are my savings really WORTH?" The cash value of your savings is not what counts most. What is important is the amount of continuous income they would provide, if your wife and children were left without other means of support. In most cases ordinary savings can't provide enough! That is why you need life insurance. . . .

"Is it important WHICH life insurance company I choose?" It is! Life insurance companies are much alike as to policies and rates, but actual long-term results vary widely. We invite you to compare The Mutual Life of Canada's record with that of any other company.

Evidence of the satisfaction of Mutual Life policyholders is furnished by the fact that whole families and succeeding generations have entrusted their life insurance programs exclusively to The Mutual Life, and each year approximately 35% of its new business comes from policyholders. Ask your Mutual Life representative to explain the special features of this Company.

NEW BOOKS RECEIVED AT LOCAL LIBRARY

Circulation at the Okanagan Union Library during the month of April amounted to 4,006 books. The total was made up from 1,061 non-fiction books, 2,170 fiction, and 863 children's books. New registrations totalled 40, being 33 adults and 7 children.

Following are the new books received by the library during the past month:

Non-Fiction
Patmore, Color Schemes and Modern Furnishings; Miller, This Is Photography; Ciano, The Clano Diaries 1937-1943; Buchanan, Unforgettable; Unforgettable; Bodley, The Messenger; Mohammed, The Prophet; Pugsley, Saints, Devils and Ordinary Seamen; Faulkner, Uncanny Money; Sassoon, Siegfried's Journey, 1916-1920; Pope-Hennessy, Charles Dickens; Munro, Gauntlet to Overlord; Gooch, Courts and Cabinets; Graham, Fur and Gold in the Kootenays; Stark, The Arab Island; Seagrave, Burma Surgeon Returns; Castiglioni, Adventures of the Mind; MacEwan, Feeding of Farm Animals; Price, Key to Japan; Botkin, Lay My Burden Down.

Fiction
Dreiser, The Bulwark; Richter, The Fields; Schmitt, David the King; Van de Water, The Sonnet to Sleep; Caldwell, This Side of Innocence; Beresford-Howe, The Unreasoning Heart; Dick, Country Heart; Parnell, The Piping Times; Green, The Power and the Glory; Lamond, Brindle Royalist; Morgenstern, The Son of the Lost Son; Perkins, Antioch Actress; Park, There is a Fortress; White, The Pale Blonde of Sands Street; Davies, The Black Venus; Dale, Honeyfoggling Time; Eustis, Horizontal Man; Jones, Peabody's Mermish; Boyle, A Frenchman Must Die; Wolff, Delta Wedding; Stowman, With Cradle and Clock; McCullers, Member of the Wedding.

PRESS GALLERY MEMBERS RETURN

VICTORIA—Members of the Legislative Press Gallery, who write for the public the news and opinions of a legislative session, have returned to Victoria after a tour through the Cariboo over the Pacific Great Eastern Railway. The party, including the Gallery president, Gordon Root, of the Vancouver Province, and the secretary, C. F. Moriarty, visited Quesnel, Prince George, Wells, Barkerville, Lillooet, Williams Lake and Squamish. The party came home convinced of the great part this whole area will play in the future development of British Columbia.

"DISTASTEFUL" ODOR COMPLAINT

Outdoor toilets may have had their place many years ago, but to L. E. Loken, 138 DeHart Avenue, this modern day and age calls for something more on the sanitary side. Loken wrote to the City Council on Monday night requesting that an outdoor toilet, located near the rear of his property, be removed, and that the owner install a septic tank until sewer lines can be installed. He thought with the warmer weather coming on, a distasteful odor would be emitted.

The matter was referred to the sanitary inspector.

MORNING BLUES are banished when breakfast includes Maxwell House. This gloriously rich blend of extra-fine coffees is "Radiant-Roasted" to develop the full goodness of every coffee bean.

CONSTITUTION OF K.A.R.T. IS ACCEPTED

Committee to Survey Playing Ground Facilities Throughout City

Kelowna Athletic Round Table's constitutional difficulties are over. At a meeting on April 30, 21 members, more than the needed quorum, accepted the revised constitution and the first stages of compact organization are now complete.

One of the several committees set up, and having far reaching possibilities, was the committee to make a survey of playing ground facilities both present and potential. Ernie Winter was put in charge, ably assisted by Max dePlyffer.

Mr. dePlyffer had a suggestion for grounds which could be utilized for both summer and winter sports. Low lying ground, near an adequate water supply, could be easily flooded by slow stages to form ideal skating facilities in the winter, and be used for ball games and other sports during the balance of the year.

Realizing the lack of sufficient playing grounds, the committee will make its survey with a representative of the City Council and report back at the next meeting.

Regular meeting nights were decided to be a definite asset, and the night chosen was the second Wednesday of every month.

Other Organizations
The ways and means committee for raising funds received a boost from the appointment of Harry Mitchell as chairman of the Publicity Committee. Mr. Mitchell advanced excellent suggestions for publicizing the activities and purposes of the K.A.R.T., which publicly, he said, was the most important help in raising the money to put these activities and purposes into practice.

The meeting learned that Penticton and Vernon are forming athletic organizations on the lines adopted by K.A.R.T. Vernon is reported to be in its pre-organization stage, with an important meeting due this Friday, which members of K.A.R.T. have been invited to attend.

Max dePlyffer, Ernie Winter, Chas. Pettman and two others are planning to be present, in an advisory capacity on behalf of Kelowna.

President Harold Johnston disclosed that Ernie Lee, Provincial Recreation organizer, who has been setting up organizations in various centres, which are similar in character to Kelowna's, will be in the city this week.

Mr. Lee is to be approached by the executive, to sound out the advisability of recommending to the city that a full time athletic director be appointed to the local level.

For this position were read to the members and filed for future reference.

Fred Williams, golfdom's representative, was appointed chairman of the members' committee, whose task will be to acquire new members and to ascertain the reason for absenteeism, recommending that should conditions warrant it, that the club be replaced by another representative of the respective organization.

Definite plans for the showing of the 1945 world series are set for May 10 in the high school auditorium. There will be free showings for the school children, presumably on the afternoons of the 14th and 15th. The program runs for two hours and includes a noon, vaudeville, a sportscope and a human interest story as well as the ball series film.

LARGER GRANT IS REQUESTED

Major J. Steele, newly appointed public relations officer of the Salvation Army, with headquarters in Vernon, appeared before the City Council on Monday night requesting a larger city grant in order to wipe off the deficit incurred by the Grace Hospital in Vancouver during the past year.

The city last year granted the Army \$25 to carry on its work. Major Steele stated that the Salvation Army's post war reconstruction plan called for the appointment of a social service worker in the Interior of B.C., who will work in direct liaison with the Vancouver headquarters.

The matter of increasing the city's grant is being considered by City Fathers.

HOSPITAL EGG GIFTS DROP

The egg-week-for-the-hospital is not meeting with its usual success, according to information from the Hospital. Hospital authorities are rather astounded at the sudden and surprising drop in the gift campaign this year.

Last year nearly eight hundred dozen eggs were received. This year less than half that amount have been received to date. Hospital officials are of the opinion that people have just neglected to make their donations and the shortage is as a result of this rather than through any lack of desire to assist the hospital. The gift of eggs means a great deal to the institution and it is hoped that during the next week donors will come forward to make the aggregate gift at least as large as that of a year ago.

**CITY BICYCLES
ARE IMPOUNDED**

One juvenile had his bicycle impounded for two weeks, and another was warned, when they appeared before Juvenile Judge T. F. McWilliams in juvenile court last week, charged with riding their machines on the sidewalk. Another juvenile also had his machine impounded for riding with no light.

In addition to fining him \$2.50 and costs, Frederick Feist had his bicycle impounded for two weeks by Magistrate McWilliams after he pleaded guilty to riding it with no light.

Mr. and Mrs. W. Middleton of Winnipeg, who had been visiting at the home of Mr. and Mrs. A. H. Hall, Water Street.

added revenue, otherwise they will be unable to take their rightful place in reconstruction. Otherwise there will be no municipal pride in building up self-governing communities. Otherwise, in due time, the B.C. Government will find municipal governments anxious to cease as such because citizens will be unwilling to serve under conditions of civic poverty," was the way the Union of Municipalities' brief was summed up.

Half the Income
In conclusion, the brief said, "The proposal of this Association is that the government at Victoria give the municipal governments half of the income funds it receives from Ottawa. Or as an alternative, that it turn over half of the motor licences, part-mutual tax, liquor profits, amusement taxes, gasoline tax and similar levies, this arrangement to be under a permanent agreement. That in any case the government assume the cost of education, health and social service."

Details of the Okanagan Municipalities' brief appear elsewhere in this issue. It would be too lengthy to discuss the details of the brief, which transpired during the presentation. But O. L. Jones, former Kelowna mayor, and a recognized authority on municipal affairs, made his point by giving a typical example of how the municipalities were "overburdened." Mr. Jones explained to Mr. Goldenberg that the provincial government was collecting revenue from every car, truck and bus that was carried on the ferry between Westbank and Kelowna. After the government received all the revenue, the vehicles had to drive through the main street of Kelowna, resulting in additional wear and tear to the roadway—all for which the city did not receive any compensation.

Mr. Jones also stressed the municipalities' claim to share the income tax. "They have just as much right to it. Isn't it collected from the individual for the purpose of governing the community? And what is the country but federal, provincial and municipal governments?" he asked.

Kelowna Brief
Mayor James Pettigrew presented the City of Kelowna brief. In well chosen words he answered the questions fired at him by Mr. Goldenberg and Mr. DesBrisay, and the Commission was noticeably impressed when he told the population of Kelowna had increased rapidly during the past few years. Mayor Pettigrew said there had been an increase of about 2,200 in the last two years. Present population is around 7,200. Present population is around 7,200. Present population is around 7,200.

The hospital set-up, along with the electric light and power, taxation methods, improvement tax, etc., were all explained by the Mayor. In reply to a question from Mr. Goldenberg as to whether he thought the people were taxed enough, Mayor Pettigrew thought they were, from the standpoint of public service.

Mayor David Howrie, of Vernon, in presenting his municipality's brief, said the military vehicles had played havoc with the city streets and that the military authorities "pretty tough" to get along with when it came to discussing the matter. Briefs submitted by other municipalities in the north end of the Valley expressed the same views.

Penticton's cause was ably presented by Councillor J. W. Johnson, who submitted a lengthy brief devoted to the issue of the irrigation problems and the support of the Okanagan Municipal Association brief.

The irrigation facilities of Penticton, along with those of Shuswap, differ from those throughout the remainder of the valley in that in the former two irrigation is a municipal project, whereas, in the latter, the producers operate their irrigation systems through water districts, he maintained.

"The crux of the whole matter lay in the fact that because the municipalities' credit is good, they have to borrow from the open market. On the other hand, the water districts got their loans from the provincial government conservation fund, having little credit on the open market. In the latter instance, the government has, from time to time, forgiven part of the debt, while in the former case, repayment in full has always been necessary, and so Penticton feels that the fact of good credit has been working against them, leaving them in a worse position than the districts."

"This undesirable position is due mostly to having to forego necessary development and improvement work, so that the irrigation obligations could be met."

Unfairly Treated
"We feel that in a sense we have been unfairly treated by the government. It would seem that instead of treating the fruit industry as a whole and on a uniform basis, the

NEW MINISTERS TAKE UP DUTIES

VICTORIA—British Columbia's two new ministers, the Honourable L. H. Eyres, Minister of Railways, Trade and Industry, and the Honourable R. C. MacDonald, Minister of Mines and Municipal Affairs, have taken up their duties in the Parliament Buildings. Mr. MacDonald is in the office formerly occupied by Mr. Carson. The buildings are so crowded that Mr. Eyres has taken up temporary abode in Mr. Speaker's suite, which will be unoccupied until the next session of the House. The first day Mr. MacDonald sat in his office as a Minister of the Crown, he found himself the sole representative of the Government in Victoria. Every other minister was away on Government business.

When asked by Mr. Goldenberg if higher taxes would alleviate the problem, Mr. Johnson replied: "Our tax rate has gone as high as it can go and it will have to stay there for a while. We cannot back down, and I certainly do not think we should go up."

The Corporation of the Village of Osoyoos was represented by H. H. Heskeith, Clerk for the Board of Commissioners. Because Osoyoos is the first Canadian impression for north bound American tourists, it is imperative that this first impression be a good one, and therefore, it was urged that all eyesores, particularly the ungainly poles and wires, be removed. Their brief also recommended that some consideration be given to social matters, the establishment of an airport, and that maintenance and repair machinery for roads and streets be made available to the small municipalities who are unable to purchase same.

In the brief submitted by Peachland, it was thought the government should assume the costs of maintaining roads and highways within a municipality used by logging and other heavy duty trucks, from which the municipality derives no revenue. It recommended the government assume "full responsibility for education, social service, and public health."

The Peachland brief thought that no part of these costs be made available to the land, as they have no logical connection with the owners of property.

"The restoration of grants formerly made by the provincial government from part-mutual, liquor, and motor vehicle licences, on an equitable basis (percentage), would certainly assist the organized territories generally, and help this municipality specifically, to meet the mounting costs of the various social services now regarded as the responsibilities of the cities, towns, villages, and municipalities of the province."

George's Tire Shop

LIMITED

WOULD LIKE TO REMIND YOU THAT—

THREE THINGS account for the development of modern tire treading, a term which includes both recapping and retreading.

- Nearly all modern tires are constructed so that they will outlast two or more treads.
- About 75% of the cost of a new tire is for the casing and only 25% for the tread rubber. (Consequently a new tread can be vulcanized to the smooth tire at a great saving.)
- Treading equipment has been perfected which accomplishes the treading process easily, quickly and inexpensively.

Consult us for estimates and advice.

LET GEORGE DO IT

Why Anglicans must raise \$4,300,000

IN ORDER to strengthen the arm of the Church and enable it to meet the challenge of postwar needs with intensified effort at home and abroad, members of the Church of England in Canada are asked to provide the sum of \$4,300,000.

This money is urgently needed to carry on the Church's educational and social work in Canada.

To meet Diocesan and general synod needs as well as the expenses of organization and administration.

To carry on missionary work at home and abroad, to assist the Mother Church in England and the Churches of Europe in their work of rehabilitation.

To strengthen the pension fund for missionary clergy.

The money will be allotted in the following way:

Pension Fund - - - - -	\$1,300,000
Missionary Work - - - - -	1,400,000
Educational Work - - - - -	100,000
Social Work - - - - -	55,000
Church in Britain - - - - -	100,000
Churches in Europe - - - - -	90,000
General Synod Administration - - - - -	205,000
Extension of Church House - - - - -	50,000
Diocesan Needs - - - - -	800,000
Organization and Administration - - - - -	200,000

Spiritual re-dedication must bear fruit in self-sacrificing practical endeavour if the Church is to meet its Christian obligations.

Be prepared to lend YOUR support to the limit of your ability when the Visitor calls during the week of May 12th to 19th, or mail your offering to your Diocesan Headquarters.

MARL DEPOSITS SOUGHT IN LAKE

VICTORIA—The Honorable E. T. Kenney, Minister of Lands and Forests, and the Honorable Frank Putnam, Minister of Agriculture, are studying the possibility of lowering the level of Cheam Lake, to give access to huge deposits of marl and thus provide farmers with a substitute for lime, now in short supply. J. L. Davidson, New Westminster engineer, has placed a plan before the Provincial Government calling for a channel from Cheam Lake, to drain into the Fraser River.

Mr. Kenney and Mr. Putnam have personally inspected the site of the proposed work.

Slow Growing Flowers Need Extra Early Start

Snapdragons (left), asters (top right) and petunias (bottom right) should all be started under protection for a long harvest of flowers.

Most annual flowers will stand transplanting, and if sown in the house, or in a greenhouse, hot-bed or cold frame, weeks before it is possible to sow them outdoors, they will begin to flower much earlier than otherwise when moving to the garden.

Asters, petunias and snapdragons especially should have this early start, because they are slow to germinate and mature. In setting out plants rather than sowing seed direct there is another advantage, which lies in the placing of plants. Since flowers are usually planted in borders, rather than in rows

and often must be placed between established plants, it is not easy to be sure of growing plants from seed in exactly the desired location. Another advantage is that thinning out plants becomes unnecessary, and seed thus goes much farther.

Many flowers have very small seed, which must not be covered deeply, lest growth be prevented; sometimes indeed the seed is just pressed into the soil. It is important that flower seed be sown in loose soil, rich in humus, which will not become too compact, or form a crust which might prevent the seedlings from emerging. Many garden soils do not answer these specifications, but it is usually easy to find enough of the best type of soil to fill a few flower pots or seed boxes, in which seeds may be sown with assurance that they will germinate and grow well.

Because of this, gardeners often sow all flower seeds in this way, even outdoors, and move the plants when ready to locations where they are desired. Seed boxes are easier to manage outdoors than under protection, and growth is more rapid than in the garden, for plants in a seed box which can be shaded when desirable, and watered frequently, or kept constantly moist by automatic watering.

Bush Squash Grow Fast And Give Big Variety

For gardens which have room for them, bush squash provide an early and all summer harvest of delicious vegetables, which are increasingly popular as new ways to cook them become familiar.

In two months from the time seed are sown, many forms of summer squash are ready for the table; and all may be served at any stage, from tiny fruits a week old to full maturity.

A favorite with many gardeners is the Italian marrow, which grows to a weight of several pounds, but can be used when only a few inches long, for a dish which only the home gardener can enjoy at its best since these baby squashes will not retain their quality when shipped to the market.

Bush squash should be planted in hills, three to four feet apart, and separated by at least that distance from neighboring plants, otherwise they will overtop and smother their neighbors. A handful of plant food mixed well with soil under the hill will speed up growth, and increase the yield. Since the fruits are largely water, provision for supplying water to the plants during dry spells should be made. One planting is sufficient, as the plants will continue to bear, provided the fruits are not allowed to mature, until the frost kills them.

Squash are among the tenderest of plants and should not be planted until the ground is warm and all danger of frost is over. The principal insect enemy is the squash borer which lays its eggs at the base of the plant, where it emerges from the ground. Dusting at this point with D.D.T. dust during June and July will protect the plants from this pest.

The striped cucumber beetle often attacks young squash plants; and

Italian Marrows may be served at all stages of growth.

dusting with D.D.T. or rotenone from the time they start growing until they have grown a foot or more is advisable to protect them. Winter squashes which grow as vines are planted at the same time as summer squashes, but most varieties require 100 days to mature. Among them are a group which can be baked and are sweet as melons, including Butternut, Buttercup, Sweet Potato, Acorn (Table Queen) and others.

Beans One Of Big Three Victory Garden Crops

Pick beans at their best, and can small surplus lots for winter use.

Snap beans rank with carrots and tomatoes as the big three among home garden vegetables, which to every garden should grow. They should never be sown until the ground warms up, because they will not germinate in cold soil.

Frost kills the young plants, and cold winds may check their growth. But sown in warm soil, they grow vigorously and quickly, the earliest bush varieties reaching table size in seven weeks. Because the seed pods are eaten, this is one of the efficient vegetables, producing heavily for the space they occupy.

There are four general types of bush beans, the green and wax (yellow) each divided into flat pod and round pod. Market beans are usually flat pod, which yield better than the round pod; and the latter have the best quality.

Between the green and wax beans there are slight differences in vitamin content, the former excelling in vitamin A, the latter in vitamin B, but both are among our most nutritious foods. In recent years few wax beans have been seen in markets, but in the opinion of many they are more tender and of better flavor than green beans.

Bush beans should not be allowed to form seeds. They are at the

height of flavor and tenderness from the time they have just begun to form, until they begin to make seeds; and they deteriorate somewhat after that. Both for the table and for canning they should be picked before seeds form, and not more than an hour before they are cooked.

If bean plants are kept picked clean, they will continue to bear all summer, producing several crops, as long as the plants are healthy. But since the first crop is always the largest, it is advisable to make several sowings in succession, so that new plants keep coming into bearing. It may be advisable to estimate your canning needs and sow a special row for putting up, so they can be harvested for that purpose. But always be ready to put up a few jars at a time, when there are more beans on the bushes than you need for the table.

In sections where leaf hoppers infest the bean plants, D.D.T. dust will be found an efficient protection against this pest, which saps the strength of the plants. The Mexican bean beetle, however, is one of the few insects which D.D.T. does not kill and where it is prevalent rotenone dust should be used.

Green, Leafy Foods Are A "Must" For Home Gardens

For family health, the most important crops in the home vegetable garden are the greens, which nutritionists call the "green, leafy vegetables," and recommend so highly as a source of vitamins.

Of these, spinach is not the chief, since its harvest ends with the weather. But there are others which bear throughout the summer and produce, for the space they occupy, more food than other crops. Most widely grown are Swiss chard and New Zealand spinach.

Chard is an ancient vegetable, probably the first form of beet to be grown for food, while New Zealand spinach is a relatively modern having been discovered as a wild plant in New Zealand, where the natives did not eat it. It became popular in Britain long before its vitamin content was known. Its flavor resembles that of spinach.

It has large, hard seed, which some have difficulty growing; but grows well if sown in the early spring, so soon as the soil has been prepared. Seeds often live over winter and come up in the spring, and the plant is hardy in spite of a tropical origin. But it is easily overdone, since one plant fills a bushy basket, and when the tips of its leaves are cut off for use, new tips grow rapidly, and the harvest continues until late in the fall. Swiss chard should be used when the leaves are young, not over ten inches in height. Sown with the earliest crops, it will be ready to cut in a month, and new leaves will grow to replace those that are cut. Chard has a distinctive flavor, which many prefer to spinach, and

Sown in June, the plants set out in rows two feet apart, they will produce leaves which stand freezing, in, of Vancouver, were guests of the Royal Anne Hotel for several experience. Collards are a member of the cabbage family which do not make heads, but leaves with cabbage flavor.

Mr. and Mrs. F. J. Herd, of Bell-Ingham, were week-end visitors in Kelowna, guests of the Royal Anne Hotel.

All these varieties of greens are rich in minerals and vitamins, and are valuable in the diet. It is well for the home gardener to plant a small quantity of several kinds so of greens. All produce a surprising that the family does not grow tired quantity of food on small space.

Cap Your Big Moment with a Sweet Cap

Somewhere, sometime, big moments happen to everybody . . . and the immediate urge is for a really good cigarette. To cap such moments, in fact at any time, there is nothing like a SWEET CAP.

ANNOUNCING

Green Cross* MICRONIZED* 50% DDT POWDER CONCENTRATE

FOR Barn & Livestock Spray

A Dual Purpose Product

More efficient in Action

More economical to Use

Easier to store and Handle

HERE is the very latest and most economical method of using DDT to rid your barns, buildings and animals of flies, mosquitoes, wasps, lice and other insect pests.

"Green Cross" Insecticides, first to bring you DDT, now present a Micronized* 50% DDT in concentrated wettable powder form.

This is a dual-purpose product...micronized to superlative fineness which mixes easily and instantly with water to make a DDT Spray of the required strength.

One Pound will make either one gallon of Barn Spray or five gallons of Livestock Spray in their most effective form, thus eliminating the necessity of buying two separate products.

Now available at your dealer in 1/2 lb. and 2 lb. cans.

*Trade Mark Registered

AND GREEN CROSS Animal Insect Powder

The most effective and modern insect powder yet developed for farm animals, combining DDT, rotenone and other active ingredients skilfully blended to produce a non-irritating powder deadly to lice, ticks, fleas and other insect pests on horses, cattle, sheep, poultry, foxes and other animals. Ready to use in handy shaker-top 2-lb. cans.

GREEN CROSS 5% DDT Household Spray

The product you have been waiting for—a sure end to the menace of flies, mosquitoes, moths and other pests in homes, camps, restaurants, etc. "Green Cross" DDT Residual Household Spray, in addition to being fortified with DDT, contains one of the most effective contact insecticides known together with a special activator, thus stepping up its knock-down and killing power. It is non-staining, has no unpleasant odour and is safe to use.

Campbell Loans

are Life Insured ... \$20 to \$1000

INSURED LOANS

Here's the better, safer way to get ready cash. For your protection, Campbell Loans include Life Insurance to cover the unpaid loan balance. In case of death your family is thus relieved of all obligation for your loan. The complete balance is automatically paid off by the insurance company. Campbell Finance Corporation is the only loan company to provide this valuable protection. And there is NO EXTRA COST for this outstanding feature.

LONGER TERMS

For your greater convenience, Campbell Finance allows repayment terms up to 20 and 24 months... On loans \$300 and up 20 months are allowed, and 24 months for loans \$501 and up. This means that you can repay your loan in nominal monthly amounts on a soundly planned basis. With the high level of taxes and increased cost of living, longer Campbell terms are most helpful in systematic debt reduction. From our many repayment plans a qualified Campbell expert can help you to choose just the right one to fit your special needs.

REDUCED RATES

Campbell loan costs are now at the lowest level in our history. Only a few examples are given here, of how practical it is to borrow at Campbell Finance. For details on any amount from \$20 to \$1000 phone or visit our nearest office. Remember, Life Insurance protection is included in all quotations. It costs you nothing extra. Private interview rooms are always available to allow the greatest freedom for discussion.

4 LOAN PLANS

Campbell Finance provides a wider choice for borrowers with four different types of loans. Married couples can borrow money quickly without endorser. Loans on your signature only (up to \$100) are fast and simple to get. Also loans on various common types of security require no endorser. From our four kinds of loans you can easily select a plan that will fit every requirement. Of all the people in Canada who borrow from licensed lenders, 1 out of every 4 uses Campbell Finance—specialists in personal loans for over 18 years.

SELECT MONTHLY REPAYMENT HERE

	2 Months	6 Months	12 Months	15 Months	20 Months	24 Months

SAYS PUBLIC NOT AWARE OF TAX PROBLEMS

Must be Prepared to Pay for Increased Social Services, Explains Goldenberg

"EDUCATE PEOPLE"

Thinks Municipal Heads Could Explain Situation so as to Avoid Unnecessary Abuse

The average individual who is balking over increased tax burdens—criticizing governments and municipalities for poor roads—applying heads of civic governments over inadequate sewers, roads and social services, misunderstands the financial problems so closely related to taxation.

This is the impression gained by Carl Goldenberg, Royal Commissioner, who has been holding sittings throughout the province in connection with provincial-municipal financial relations. Speaking at a luncheon in the Royal Anne Hotel last Friday, Mr. Goldenberg frankly told delegates of Okanagan municipalities that they should undertake to "educate" the people in approach the problem from a different angle. He did not think increased social services, education and health, along with more public services could be measured in dollars and cents, and he thought it would be interesting for municipalities to work out the cost of these services so that "people would not vote against the Reeve when the mill rate goes up as the result of increased services."

Mr. Goldenberg gave a rather informal address and based his lecture on his varied experiences gained while sitting on various boards and commissions during the past ten years.

Ten years ago we were in the depth of a depression and ten percent of the population was in receipt of relief. We began emerging from this in the late 30's and when war broke out there were 400,000 on relief," Mr. Goldenberg explained to the outset of his address. "War provided work for everyone, and we couldn't produce enough to meet the demand. During those years, production expanded and the national income was doubled.

"Now we have emerged from another war, and we want to avoid another depression. It is essential we do not go back to mass unemployment and depression. However, no part of Canada was free of unemployment during the 30's. Depressions spread and we cannot isolate them. The period of depression created the growth of fascism, dictatorships and fallacies that led to war from which we have just emerged.

"We want to prevent another depression, and so Canada today is trying to promote general welfare by production of goods. Canada today is discussing a loan for Britain. It would help its own production as well as aiding Britain. The government is prepared to borrow and tax the people in order to raise the loan. That is going to expand the budget. Before the war the budget was half a billion dollars—during the war it was six billion, and this year it will be about two billion dollars," he declared.

Continuing, Mr. Goldenberg said that the present period has often been referred to as the "era of welfare," when people want unemployment insurance, health services, education, etc. "If the people want these measures, they have to pay for them," the speaker declared. "How can one value in dollars and cents the cost of education, social services, health services, etc."

PENTICTON'S NEW PROVINCE BUILDING will cost in the neighborhood of \$150,000. Dr. R. H. Laird, M.L.A. for Similkameen, Kettle Valley division of the C.P.R. made this statement when he returned from Victoria. He said if an adequate building could not be erected for this sum, every effort will be made to have it increased.

PENTICTON CO-OPERATIVE GROWERS expressed keen satisfaction over last year's crop. During the session recently held in Penticton, it was announced that approximately one million dollars had gone to growers of the organization from a 1945 season, this amount being the net return after packing charges had been deducted. Officers were unanimously re-elected, and include John Coe, president; C. W. Holden, vice-president; and the following directors: A. G. DesBrisay, C. H. Hinkesman and Capt. E. A. Titchmarsh.

PENTICTON RATEPAYERS held a stormy session at the annual meeting last week, and from statements made by leaders of the movement, their chief objection to the present civic administration arises from a feeling that taxpayers' money is not being spent to the best advantage. Some instances of such objections were mentioned by those at the head of the organization, following the Friday night gathering.

Oscar Matson, president of the group before it became dormant was re-elected. Philip Howard was named vice-president; W. B. Carter, secretary-treasurer, and the executive includes W. A. "Fred" Husband, George Morrison, Earl Agnew, J. E. Phinney, George Barr and A. Miller. Matters referred to the Council by letter affected garbage charges, poultry-keeping, the condition of streets and street lighting. Complaints were voiced from several South Penticton residents regarding the increase in taxation, with no corresponding improvements.

TWO WELL-KNOWN PENTICTON railway men retired on pension.

and yet would the people live in a municipality if they did not get those things he asked. "The people do not seem to figure out the days and weeks they work for their doctor, their butcher, their tailor, and yet social services are the basic services which they could not live without in a community. I think it is time the various governments teach the people to approach the problem from a different angle."

Goldenberg said he had the experience of a business man protesting against the increased taxation, and yet the same man later came to him and complained over the lack of social services.

Mr. Goldenberg said he was fully aware of the many sacrifices an individual makes when he enters government service, but he thought it was up to these representatives to explain the problems to the taxpayers.

"If people want services they have to pay for them, but not have them and abuse municipal heads," he concluded.

Mr. and Mrs. C. R. Rowcliffe are holidaying at Little River, where they are fishing.

Virginia Field, appearing in "The Perfect Marriage," Hal Wallis production for Paramount, began her acting career in Vienna.

Valley Round-up

PLANS FOR A \$100,000 ADDITION TO PRINCETON SCHOOL were okayed at a meeting held in the Princeton high school last week.

KAMLOOPS CITY COUNCIL has been unable to arrange the annual anti-codling moth control measures this year because the Stan Steele, Ltd., or the North Kamloops-Brocklehurst orchardists will not accept the job. The mayor has appealed to tree owners to make their own arrangements for spraying fruit trees. He also urges the destruction of old and diseased trees.

VERNON BOARD OF TRADE is seeking a board and uniform weekly closing day for all stores throughout the Okanagan Valley. If the 44-hour week is adopted by the provincial government, the deadline for action is not later than July 1, as the Act governing hours will come into force upon proclamation by that date at the latest.

IMMEDIATE PROJECT OF VERNON'S Lions Club is the erection of a concrete out-of-door stage for the production of musical and theatrical works. Vernon businessmen are working towards the achievement of this addition to the recreational facilities of the city.

THE CITY OF VERNON HAS sold seven Barnard Avenue lots for \$20,000 cash to McLennan, McFeeley and Prior (Vernon) Ltd. The property is located on the north side of Barnard Avenue extending west from Vance Street. The purchasers intend, as soon as possible, to build a permanent store for their Vernon branch on this site, and according to W. H. Hall, the building will be one of the most modern in the province.

SHOES ARE NECESSITY FOR EDUCATION

Thousands of European Children Miss School Because of Clothing

For want of a pair of shoes—a warm coat—thousands of children in Europe and Asia could not attend school during the past winter—perhaps their first opportunity since pre-occupation years.

From Czechoslovakia comes this heart-rending letter, written by the wife of a public-school principal: "You know, I lost everything. I would somehow manage for myself, but Dasa goes to high school; she grew up so quickly, everything is too serious for her, and I'm having to clothe her in. She needs a coat badly, she wears just a sweater. I wanted to buy her a winter coat, but they asked 1,600 crowns for it—that is almost half our wages and we cannot afford it, as we pay exorbitant prices for food. My husband needs socks and warm underwear badly. At school they do not heat much because there is little coal, and imagine that while working he is often all blue from cold." And again the tale from Holland, contained in a letter of gratitude for clothing sent to the pupils of his school, a principal writes touching-ly:—

"I don't know who you are, but I shall try to write a letter for you. I will express my thanks, because you thought of us. You know we have a poor country now and many children of my school have not clothes sufficient for dressing themselves. Some parents cannot send their children because they have no clothes nor shoes. I have a school with two hundred children and five teachers. The greater part of my pupils are poor children. The parents of these children are laborers. I send you this letter to express my thanks for what you were for us and for what you sent us and I do so in the name of the parents of my school. God bless you."

We, in Canada, who take schooling as a matter of course, can hardly imagine what it means in the formerly enemy-occupied countries of the world. For many children under twelve it may be their first chance to learn the principles of democracy, for which we all fought and suffered in their own language and without fear. You and I, in Canada, can make it possible for one more future citizen of the world to rise above the ruins by a practical demonstration of democracy—by giving that warm coat—that pair of shoes—to the second National Clothing Campaign in June.

Save Clothing
Reports are now coming in about the results of the National Clothing Collection last autumn, in which Canadians donated close to thirteen million pounds of good, used clothing for use in destitute areas. In addition, countless letters of gratitude and friendship have been received by private individuals in Canada who had thoughtfully enclosed notes in clothes they donated. Here is an opportunity for us, in this collection, to write our allies as an expression of goodwill, and to further peace in the world on a basis of international friendship among individuals. Pin your note to the garment with a safety pin and you can be sure that it will be doubly welcome.

The need is still great. All kinds of used, serviceable clothing are needed to see our allies through another bitter winter. The men, women, school children, youngsters and babies of our devastated allies desperately need the cast-offs of the men, women, school children, youngsters and babies of Canada. Start now, and gather together all that you can spare for the National Clothing Collection.

NEW ACCOUNTANT
City Council on Monday night gave its approval for the engagement of Douglas Bruce Herbert who will be employed in the city office as assistant accountant.

TEMPERATURES DURING APRIL MUCH HIGHER

Average Maximum Reading Three Degrees Higher Compared with Last Year

Temperatures during the month of April were much higher compared with the corresponding month last year, according to weather figures released this week by Dave Chapman, meteorologist. The average maximum reading was 57.8 degrees compared with 54.8 degrees last year, while the average minimum reading was 35.9, compared with 34 degrees over the same period.

In spite of the fact it rained on only seven occasions—five less than in April, 1945—only 42 inch of moisture was recorded compared with 31 inch last year. The temperature dropped below freezing during the night on only four occasions, compared with nine nights in April, 1945.

Highest temperature last month was recorded on April 25 when the mercury soared to 71 degrees, while the lowest temperature was on April 5 and 7 when the thermometer dropped to 27 degrees on both occasions.

The official recordings were:

April	Max.	Min.	Free.

The contemplated saving is a substantial one for local electricity users, and will reduce the city's profit from its electric light department by approximately \$16,000 a year. On the other hand, however, this loss will be offset by the additional power that will be used by old electricity users, plus the amount used by new houses at present being erected. Last month 300,000 kilowatt hours were consumed, compared with 206,250 in April, 1945, a substantial increase despite the fact daylight saving was instituted earlier in 1945 than this year.

City Engineer H. Blakeborough disapproved of the idea, however, stating that the same action was taken in Woodlawn district, and it had not worked out satisfactorily, as there had been trouble when new people erected houses later on the same street. In reply to a question from Jack Horn, Mr. Blakeborough said he thought there was suitable piping available.

WESTBANK—An executive meeting of the Westbank W.I. was held at the home of Mrs. A. G. Hoskins. The district president, Mrs. Plixon of Okanagan Centre, attended the meeting, which was held to arrange a program for the one day conference to be held at Westbank on June 7.

If the building of your Estate has required careful thought, hard work and saving of many years, it is worth your while to appoint an experienced Executor, such as this Trust Company, to administer it and see that the result of your life's effort is properly conserved for those dependent upon you.

Ask to see the color cards which show many beautiful colors specially designed for modern home decoration.

Kerr Block — Kelowna

Toronto - Montreal - Windsor - Winnipeg - Calgary - Moose Jaw

✱ Do you give the correct hand and arm signals before turning your car or reducing speed?

Signalling your intentions clearly and in plenty of time to warn other persons that you are going to change direction or speed is one sure way to help prevent accidents that may prove costly—and even fatal. But be sure your signals are clear and definite. Confusing signals can be as dangerous as no signals at all. Drive with your head—signal with your hand.

ACCIDENTS DON'T JUST HAPPEN—THEY ARE CAUSED

A quiet wedding ceremony took place at St. Andrew's Anglican Church, Okanagan Mission, on Friday evening, May 3rd, at seven o'clock, when Ven. Archdeacon D. S. Catchpole united in holy matrimony, Jean Gwendolyn, elder daughter of Mr. and Mrs. H. W. Simmons, of Wynndel, B.C., and Sherburn Chaplin, son of Mr. and Mrs. F. J. Chaplin, Okanagan Mission.

Employees Union Ask for Ten Cent Wage Boost—Offered Smaller Amount

had met with delegates of the Civic Employees Union. Recently the union was asking for an increase of ten cents an hour all-along-the-line, but the city's elderly citizens have roughly dismissed the matter in committee meetings. It was decided to grant a smaller wage boost.

Reginald Rhodes, recording secretary of the Civic Employees Union, will be advised the city is willing to make the following increases:

Road foreman, from \$155 a month to \$160; cleaner, from 55 cents an hour to 57 cents; water works foreman, from \$155 a month to \$160; garbage collector from \$120 a month to \$125; assistant garbage collector, from \$100 a month to \$105; 57 cents, and general laborers, from 55 cents an hour to 57 cents.

30 miles an hour within the city limits, brought a fine of \$15 and costs to Melvin A. Moore, in city police court last Tuesday.

The call to extinguish a small blaze on the roof of the home of Alex Camozzi in Five Bridges, was responded to Saturday night at nine o'clock by the Kelowna Fire Department.

ROYAL CITY

CANNED FOODS

You can keep the opened tin of "Royal City" products in your ice-box or refrigerator quite safely, without fear of spoilage or loss of the famous "Royal" quality.

Classified Advertisements

Notes: If each accompanying advertisement, one cent per word, maximum charge, twenty-five cents. If advertisement charged, add twenty-five cents for bookkeeping charge.

When it is desired that replies should be addressed to a box at The Courier Office, add ten cents.

BASEBALL GAME THIS SUNDAY

Kelowna will be hosts to the new entity from Osoyoos on Sunday afternoon, May 12, at the City Park in a scheduled game of the South Okanagan Senior "B" Baseball League. This announcement was just released as a result of a meeting of league officials at Summerland Tuesday night, where the full schedule was drawn up.

The complete schedule will be ready for publication next week. Other games for Sunday, May 12, are: Oliver at Keremeos, Peachland at Rutland, Cawston at Penticton, Summerland at Kelowna.

Scores of last Sunday's opening games were: Rutland 13-5 over Kelowna; Peachland 9, Summerland 1; Oliver beat Penticton 4-1, and Cawston won over Keremeos 9-7. Osoyoos had the bye.

**OPTOMETRIST
OPENS OFFICE**

Scot K. Hambley, optometrist, who practiced in Vernon for two years, has come to Kelowna to re-open and has opened offices in the

Casorso Block. Mr. Hambley, who graduated as an optometrist in Toronto two years ago, specializes in contact lenses. He has recently received new equipment and will be able to repair broken lenses at short notice.

Be sure it's a Genuine DUROID ROOF

DUROID ROOFING & PAPER CO. LTD.

45 SQUARE SHINGLES

"Duroid" is a well-known trade-name that appears exclusively on asphalt shingles made by Sidney Roofing. It's your guarantee that you're getting an asphalt roof that is STILL made with a base of tough-fibred rag-felt, in spite of acute raw material shortages. That's why a Genuine Duroid asphalt shingle roof has such an exceptionally long life.

Don't be satisfied with anything less than a Genuine Duroid roof. Accept no substitute. Look for the Sidney Seal of Quality on every bundle.

REFUSE SKI CLUB TAG DAY PERMISSION

Council Will Only Allow Four Tag Days on Streets This Year

Only four tag days will be allowed on city streets during the current year, City Fathers decided at last Monday night's Council meeting. This compared with five held last year.

Permission was granted to the Sea Cadets, Kelowna Hospital Women's Auxiliary, Dr. Knox Chapter, I.O.E., and to the Canadian Legion, to hold tag days this year. An amendment by Alderman R. P. Walrod to the original resolution favoring the Kelowna Ski Club to be included in the list, was defeated four to two. Alderman Jack Ladd also was in favor of the Ski Club being granted a tag day.

Some time ago Max J. dePuyter appeared before the Council, stating the Ski Club is anxious to raise money to finish the road leading to the ski cabin. He also pointed out that the road would be of scenic value as the view overlooked the entire city, and it would attract numerous visitors. Council, however, took the stand that if permission was granted, various other bodies would be asking for money for similar projects.

LIQUOR FINES BOOST POLICE COURT "TAKE"

Three Individuals Fined \$300 For Selling Liquor and Eight Others Convicted

MANY JUVENILES

Total of \$4,447.50 Collected During First Four Months of This Year

Sparked by the large increase in the number of liquor convictions, police court fines are nearing a new high record. It was indicated when Staff-Sgt. W. J. Thomson, local police chief, tendered his monthly report at the Council meeting on Monday night. A total of \$1,400.25 was collected from police court fines and costs during the month of April, to bring the 1946 four-month figure to \$4,447.50.

A total of 11 people were convicted on various liquor charges, three of whom paid fines amounting to \$300 for selling liquor contrary to the Liquor Control Act. The others were assessed fines ranging from \$15 to \$50.

Staff-Sgt. Thomson added a touch of humor in his monthly crime report when he referred to the construction work now going on in the vicinity of the police building. "It will be interesting to see how many more callers to the police building than in the previous month. This is perhaps due to the hazards to be encountered on the usual approaches to the police office which now resembles a commando training course. Battle sounds for some being simulated by the noise of concrete mixing, driving nails through corrugated iron sheets, together with the noise of sawing and felling trees. The indications are that there will be no diminution in the volume of sound for some time," the police chief remarked.

Theft of Sugar
The police head said that no arrests have been made in connection with the recent break-ins in city business houses, but added that while police officers were investigating the theft of sugar, some stolen goods had been recovered in a local store. The individual has since been sentenced to six months' imprisonment with hard labor.

During the month, property valued at \$155 was stolen, of which \$88.55 has been recovered. A total of 41 transients attracted attention of police officers; 19 petty complaints were investigated; 14 business premises were found insecure at night; 22 street lights were reported out of order; four dogs were destroyed at the pound; one child was lost and found; 14 cyclists were warned over minor infractions; 11 motorists were warned regarding minor infractions and 15 bicycles were reported stolen and recovered.

A total of 42 charges were dealt with by the local magistrate, but the majority of them were juveniles who answered charges of riding bicycles without lights, two on a machine or riding on the sidewalk. In the majority of cases they were all fined, and their machines impounded for two weeks.

UNITED CHURCH QUOTA \$2,700

A minimum quota of \$2,700 has been set for Kelowna and district in the current United Church pension fund capital campaign and, while the drive has been on for about two weeks, the response has been very good, officials of the campaign reported this week. The quota for the province has been set at \$500,000, while the quota for the Dominion is three and a half million.

H. F. Chapin is chairman of the local campaign, assisted by W. Lloyd-Jones, G.A. McKay and W. E. Adams.

PRO REC GIVES EXHIBITION AT PEACHLAND

PEACHLAND—A Pro Rec display was held in the Athletic Hall, Monday of last week, with Chief Instructor Bill Wilcox in charge. Mr. Wilcox gave a short talk on Pro Rec, saying the display showed what can be done in the Community Hall with physical education. He stressed he did not have enough instructors or equipment to carry on, and could not carry on without the financial support and backing of the community, and thought the parents did not realize what the boys and girls were missing.

Mr. Wilcox introduced the instructors and visitors he had brought to take part in the display. They were Miss Janet Strang and August Clancione, district instructor in charge of the school physical education class; Albert Blanco, district instructor for Salmon Arm; Clarence Walker, of Westbank, who has just got his discharge from the Navy; two sisters seven and nine years, Riba and Thelma Gagnon, of Kelowna; Dave and Marie Pierce, of Kelowna; and a young daughter, Yvonne, age four years.

A "blossom tea" sale of home cooking, sponsored by the Women's Institute, was held in the Municipal Hall on Thursday of last week. Mrs. J. Cameron, Mrs. C. T. Redstone and Mrs. H. M. Ibbotson decorated the hall with the help of Mrs. E. M. Hume. Mrs. C. T. Redstone and Mrs. Ibbotson were in charge of the home cooking; Mrs. J. R. White and Mrs. Z. C. Witt, needlework and novelties; Miss M. Leach and Mrs. P. N. Dorland, plants and seeds, while Mrs. A. Scollie, assisted by Mrs. F. E. Witt, auctioned off the articles on the white elephant table, getting the money and some good laughs as well. Mrs. Cameron, with a few well spoken words, closed the tea.

Expected that Mrs. B. F. Gummow, Superintendent of Institutions, would be in the Valley and able to attend the Flower Show to be held in June. Mrs. Cameron, with the help of Mrs. E. M. Hume, Mrs. G. W. Munro, Mrs. Geo. Topham and Mrs. Ibbotson, took charge of the kitchen. Mrs. C. T. Redstone acted as cashier, and reported a successful afternoon.

A dance was held in the Athletic Hall, Friday of last week, the hall being decorated for the dance with balloons and colored lanterns. Witt's Orchestra supplied the music. Making up the orchestra were Harold Witt, Neil Witt, Mrs. W. E. Clements, Sid Smalls and Frank Bradley. In spite of the failure of the lights to function, gasoline lamps were used and the fun went on. The refreshments were reported as being specially good. Proceeds went to the P.A.A. hall and the school.

The regular monthly meeting of the W.A. of St. Margaret's Anglican Church was held at the home of Mrs. A. E. Ruffe Friday afternoon of last week and a dainty tea was served by the hostess.

The W.M.S. of the United Church was held this month at the home of Mrs. Neil Evans.

Miss J. Sutherland, of Penticton, a student-teacher from Normal, is taking her practical training in the Junior High School at Peachland, under Miss M. F. Bailey.

Mr. and Mrs. E. Jenkins, of New Westminster, visited at the home of Mr. and Mrs. Z. C. Witt over the week-end.

Mrs. J. Bush and grandson Russell returned from the Coast Saturday of last week.

Mr. and Mrs. J. Gummow arrived home Sunday from the Coast where Mr. Gummow has been taking a course at the U.B.C. since getting out of the Air Force.

Mr. and Mrs. Geo. Walshaw returned to New Westminster Thursday of last week after spending ten days in the Okanagan and at the home of Mr. and Mrs. Z. C. Witt.

Guests at the Edgewater Hotel during the last week were: E. L. Scott and P. Blair of the Forestry Department of Kamloops; T. P. Edwards, of Vancouver; E. S. Watson, Vancouver; N. R. Waugh, Dept. of Veterans Affairs, Vancouver; F. B. Fitzgerald, New Westminster; Mrs. Lin Anderson, West Summerland.

Harry Birkelund left Saturday of last week to spend the week-end at Salmon Arm.

Miss G. M. James left Friday to spend the week-end at her home in Summerland.

Miss Ruth Fulks left Saturday of last week to spend the week-end at Salmon Arm visiting friends.

During a talk with A. Pentland, manager of Walters' packing house in Peachland, he expressed the opinion that there would be a heavy crop of stone fruits. Apples are not far enough advanced to tell how heavy they would be.

Reeve A. J. Chidley and Councilors John Cameron, Chas. O. Whinton, and Municipal Clerk C. C. Inglis, attended the annual meeting of the Okanagan Valley Municipalities Association held in Kelowna, last Friday. Reeve Chidley also presented the Peachland brief to the Gold-berg commission.

Peachland defeated Summerland 9-1 in the opening game of the baseball league last Sunday. A large crowd watched the game which was featured by a pitching duel. The Summerland first baseman was the lone scorer for his team. Point-getters for Peachland were Vern Cousins, Harold Cousins, Toma Naka, Orland Duquemin, A. Williamson, Ted Clements, and Earl Sutherland. Rutland will be the next opponents for Peachland.

Leading Wren K. Hall, W.R.C. N.S., has returned to her station at H.M.C.S. Discovery in Vancouver, to receive her discharge.

SUBDIVISION OF LAND PROTESTED

City Council will write to the Attorney-General of B.C., and to the Provincial Health Department protesting against the subdivision of certain pieces of property in the south end of the city.

This was decided at the Council meeting on Monday night when Alderman Jack Horn stated that plans are being made for subdividing three pieces of property on the outskirts of the city limits. He pointed out that much of the property was "swamp land," and was a health menace to the city.

GRANT JEWELLER TRADE LICENCE

Another jeweller will shortly open a business in Kelowna, it was revealed at Monday night's City Council when Aldermen considered applications for trade licences. Lester W. and W. E. Krum plan to open a Jewellers shop at 220 Bernard Avenue, as soon as the necessary bonds are forthcoming. Council granted the application for a licence as soon as the necessary bonds are obtained.

Other trade licences were granted to Ernest Blanco, excavator; and William James Vinney, Miss Ella Morris and Miss Thelma McDevitt, for soliciting magazine subscriptions.

KELOWNA TAXI DRIVER FACES LIQUOR CHARGE

Jack McKenzie, local taxi driver, charged with supplying liquor to an Indian woman, was remanded for one week when he appeared before Magistrate T. F. McWilliams in police court last week.

The charge arose after police received a complaint that an Indian woman was in a state of intoxication on Coronation Avenue. She was duly charged, and was fined \$5 and costs.

McKenzie subsequently appeared in court on charges of remaining in a public place while in a state of intoxication, and also supplying liquor to an Indian. He was assessed \$25 and costs on the former charge, and was fined \$100 and costs or six weeks' imprisonment on the second count. McKenzie paid the fine.

Recently Masaru Morishita, a Japanese, was fined \$300 for selling liquor to a transient. According to police, Morishita sold an individual two dozen bottles of beer at \$5 a dozen. The Japanese paid the fine.

Farmers' Institutes Women's Institutes

TOWARDS the promotion of varied, liberal agricultural and communal ideas, the Department of Agriculture supports these Institutes and urges old and new residents alike to become members of a local Institute.

AIMS OF THE FARMERS' INSTITUTES ARE:

- First, to promote the theory and practice of agriculture.
- To arrange on behalf of its members for the purchase, distribution or sale of commodities, supplies, etc.
- To further social activities in rural communities, and to make new residents welcome to British Columbia.
- To seek, where possible, to improve conditions of rural life.

AIMS OF THE WOMEN'S INSTITUTES ARE:

- The promotion and application of home economics.
- Public health, nutrition, and child welfare.
- Improved education and better schools.
- The understanding of legislation, immigration and settlement.

Individually and collectively, rural residents can benefit greatly by membership in these Institutes.

Should there be no Institute in your locality, write to the Superintendent, Department of Agriculture, Parliament Buildings, Victoria, B.C., for information and assistance in forming an institute in your region.

DEPARTMENT OF AGRICULTURE
PARLIAMENT BUILDINGS - VICTORIA, B.C.

Hon. Frank Putnam, Minister.

More About 1 RADICAL CHANGES

From Page 11, Column 6

The right of the municipalities to some of this money should have been recognized long ago. Actually our claim to this money is sounder than that of the provincial government; yet by habit this revenue has been taken by the Provincial Government without even as much as "by your leave."

Under the restricted income for operating, municipal leaders spend their lives in one continual apology to ratepayers. To satisfy even the reasonable demands made upon us would mean increasing the taxes to a point which would mean bankruptcy to many struggling districts.

Vacant land and many smaller homes would again revert, thus rendering negative the effects of tax increase.

Summing up the financial situation as between province and municipalities, we would state that in our opinion there should be something more nearly approaching a fifty-fifty arrangement of both income and responsibility. That the civic governments must have added revenue or gain from responsibilities withdrawn. Otherwise they will be unable to take their rightful place in reconstruction. Otherwise there will be no municipal pride in building up self-governing communities. Otherwise, in due time, the B.C. Government will find municipal governments anxious to cease as such because citizens will be unwilling to serve under conditions of civic poverty.

The proposal of this Association is that the government at Victoria give the municipal governments half of the income funds it receives from Ottawa. Or, as an alternative, that it turn over half of the motor licences, pari-mutuel tax, liquor profits, amusement taxes, gasoline tax and similar levies, this arrangement to be under a permanent agreement.

That the other and minor suggestions assume the full cost of Education, Health and Social Service.

That the other and minor suggestions presented in this Report as a means of increasing municipal revenue be accepted.

THEY'LL ALL HURRY HOME if you serve Maxwell House. This extraordinary delicious coffee is bought and enjoyed by more people than any other brand of coffee in the world.

WINFIELD

WINFIELD—The members of the Winfield Women's Institute met at the Winfield Community Hall, May 1st, to hold their regular monthly meeting.

Mrs. T. F. McWilliams, of Kelowna, was the guest speaker for the afternoon. Refreshments were served at the conclusion of the meeting.

The Winfield Farmers' Institute held their regular monthly meeting in the Community Hall Wednesday, May 1st.

Delegates were chosen to attend the Farmers' Institute Convention at Salmon Arm on May 28. Those chosen to attend are Art Williams, Geo. Elliot, C. Draper, W. Powley.

The sum of twenty dollars, which was the proceeds of the Old Time Dance, which was held in the Winfield Community Hall on Friday, May 3, was turned over to the new Memorial Hall. The music was supplied by local residents. Refreshments were served during the evening.

Miss Donna Brinkman returned home to Osoyoos early this week after spending the Easter holidays with relatives here.

Last week Mr. and Mrs. E. Drachenberg entertained a number of their friends on the occasion of their wedding anniversary.

Mr. and Mrs. J. Shanks, and son Eddie, spent the week-end visiting with Mr. and Mrs. C. Metcalfe, of Penticton, and Mr. and Mrs. T. Brinkman, Osoyoos.

Mr. and Mrs. T. Metz, Betty and Eve, left this week for Kelowna, where they will make their home.

Mr. and Mrs. L. Bowser and family have left Winfield to make their home at Eldorado.

J. Hayes is at present a patient in the Kelowna General Hospital.

Mrs. Thomas Lumsden, of Vancouver, is visiting with Mr. and Mrs. J. McCarthy and Mr. and Mrs. J. Shanks.

Norman Steele, of the U.S. Navy, is spending a few days leave at his home here.

Mrs. J. McCarthy and Lynn were recent visitors at the home of Mr. and Mrs. C. Metcalfe, of Penticton.

SHOW PICTURES OF SKI MEET

Moving pictures of the Kelowna ski meet will be shown at the Women's Institute Hall, Thursday, May 9, (tonight), at 8 p.m.

The meeting, which is expected to be largely attended, will make plans for the annual picnic, which will be held at the ski bowl on May 12.

EAST KELOWNA COMMUNITY HALL ELECT OFFICERS

T. R. Carter Again Appointed Chairman—Financial Report Is Approved

EAST KELOWNA—At the annual general meeting of the East Kelowna Community Hall Association, held in the Community Hall on Monday, April 29, T. R. Carter, who was chairman last year, was again elected president of the Association.

Other officers are as follows: vice-president, M. N. Barwick; secretary-treasurer, H. R. Perry (re-elected); members of the committee, G. D. Fitz-Gerald, F. Thorneley Jr., Mrs. J. D. Evans, A. Ward, E. Blackburne and H. Ward.

The secretary read the financial statement which showed that after a gross turnover of approximately \$1,800, the balance on hand was \$270.81. The expense included the installation of a public address system and other alterations to the hall and purchase of chairs from the Salvation Army in Vernon.

A motion passed unanimously endorsing the action of the Board regarding the donation of \$250 to the Kelowna and District War Memorial Fund. The resolution was moved by G. D. Fitz-Gerald and seconded by J. Turndrup.

A suggestion that a janitor be employed the year round met with the approval of all present.

The ladies of the Women's Institute held their annual plant sale in the East Kelowna Community Hall Tuesday afternoon of last week. The home cooking, variety and plant sale were all well patronized and the booths were soon sold out. Tea was served during the latter part of the afternoon. A sum of \$38 was taken during the successful sale.

The St. Mary's Guild held a Jumble Sale in the East Kelowna Community Hall on Wednesday, May 1. The event proved very successful.

The annual Pro Rec Gym Display was held in the East Kelowna Community Hall on Tuesday of last week. Among those performing were the pupils of the local school.

The cherry orchards in this district have shown a splendid bloom and the apple trees are now a froth of white. The beauty of the apricot bloom and the deep pink of the peach blossoms have faded as the petals drop and the fruit begins to form. Winds have hampered the application of pre-pink spray during the past week.

The annual general meeting of the East Kelowna Tennis Club was held in the Community Hall on Sunday afternoon, April 28.

A committee for the current season was elected with the officers as follows: President, Arthur Ward; vice-president, Ernest Blackburne; secretary-treasurer, Miss Patsy McIvor. The two courts at the back of the Community Hall have been prepared and are now ready for use. At the present time, tennis will be played only on Sunday afternoons.

Ted Foot left on Thursday of last week for Vancouver where he will attend the University of British Columbia.

Mr. and Mrs. A. M. Thompson have returned from their honeymoon which was spent in the northern Okanagan.

Larry Hewlett danced at the United Church Hall on Thursday, May 2, with Miss Pratt's pupils.

OYAMA WOMEN STAGE ANNUAL PLANT SALE

OYAMA—The Kalamalka Women's Institute held their annual plant and seed sale on Thursday, May 2, in the Community Hall. There was a good display of flower seedlings from the Summerland Experimental Farm as well as vegetable plants.

Mrs. Rimmer was in charge of the plant sale with Mrs. A. A. Evans, Mrs. T. Towgood, Mrs. R. A. Flavell and Mrs. D. Despard assisting her.

There was a home produce table in charge of Mrs. A. S. Towgood and Mrs. C. Townsend, and the clothing exchange in charge of Mrs. H. P. Walker.

Tea tables were set in the centre of the hall and decorated with narcissus and spring flowers. Mrs. Tucker was in charge of the tea tables and assisted by Mrs. G. Pattullo and Mrs. R. Endersby and Mrs. I. Davies.

Mrs. Wilkinson had crocheted and donated a lovely ecru table cloth. This was auctioned by the American method by Marcel Godfrey and brought in over \$11.00. It was won by Mrs. J. Butterworth. Mrs. R. Allison, as president of the W.I., moved among the crowd.

Gordon Allingham returned home last week after being overseas for over two years. Part of that time he was with the occupation forces in Germany.

Miss McLaren, who had spent the winter months with her brother, Hugh McLaren, left last week for Coast points and after a short vacation there will return to Eastern Canada.

Clarence Hembling, who is a field representative for the Institute of the Blind, spent a few days last week with his parents, Mr. and Mrs. O. W. Hembling.

Pte. Nelson Simms, from the Vernon Military Camp, spent Sunday last with Mr. and Mrs. R. A. Flavell.

Mr. and Mrs. Marcel Godfrey returned home last week after spending the winter at the Coast.

Madame Isaacs returned home last week after spending the winter months in Victoria.

Jack Towgood, of Summerland, visited with his parents, Mr. and Mrs. A. S. Towgood, over last week-end.

Mrs. Dunbar Heddle and Dick, left on Friday last for a short vacation to be spent in Vancouver.

Mrs. J. Craig has as her guests for a few days her mother, Mrs. M. G. Wilson, of Penticton, and her ne-

1ST RUTLAND TROOP

"Do a Good Turn Daily"

Orders for the week ending May 18:

The Troop will parade at the Community Hall field on Thursday evening, May 16, at 7:30 p.m.

Duty Patrol: Eagles (P.L. E. Day).

Vernon Rally: The Troop will attend the rally in Vernon this Saturday, to meet Lady Baden-Powell, widow of "B-P" the beloved founder of the Boy Scout movement. Cars will be provided for transportation of the Troop, and they will leave the hall corner at 10 a.m. Full uniform to be worn.

Softball: An inter-Patrol softball league will be started immediately, now that we will have long evenings of daylight, thanks to "Summer time". Games will be played prior to the regular meeting period, and will start at 8:45 p.m. The first game will be played this week. Next week games will be Beavers vs. Foxes, and Eagles vs. Seals, will be played simultaneously. As all Patrols now are at full strength with 9 Scouts each, they will be able to field a full team, and all Scouts will take part in the contests.

Patrol Competition Standing

Beavers	518 pts.
Foxes	511 pts.
Seals	311 pts.
Eagles	225 pts.

phew, Terry Smith.

Mr. and Mrs. J. Lownes and family, Mr. and Mrs. C. Clark, and Mr. and Mrs. A. Turner, all of Penticton, spent the week-end visiting with C. Deschamps and Mr. and Mrs. A. Deschamps.

Miss Gail Rec, of Vancouver, is visiting with Mr. and Mrs. J. Lowe for a few days.

All Ski Club Members are asked to attend. Arrangements will be made for the ANNUAL PICNIC to be held MAY 12th, at the Ski Bowl.

Meeting Open to the Public.

Dining "corner":

Make it easy for yourself! Eat right in the kitchen . . . in front of a cool "herb garden" window. Use a "dining table" that drops down out of the way between meals . . . And then—most important of all—put down a sparkling bright Gold Seal Congoleum rug! Its smooth surface is easy to clean with the swish of a damp cloth. And durable! Why, its wear-layer of heat-toughened paint and baked enamel is actually equal in thickness to 8 coats of best floor paint applied by hand. But—when you buy your Congoleum rug—look for the familiar Gold Seal. Without it—remember!—it isn't Congoleum. You'll be surprised how much quality you can buy for so little money.

Gold Seal Congoleum Rugs . . . product of Congoleum Canada Limited, Montreal.

Take your time BUT ACT NOW

Scrambling to make a Will when danger threatens is probably better than not making one at all but the preparation of such an important document should not be left to the confusion of a last minute rush.

Making a Will is something that can easily be attended to before emergencies arise. This duty should not be neglected. The logic and advantages of appointing a Corporate Executor and Trustee are obvious and well recognized.

All that is needed to get the job done, and done well, is to ask us to help you plan your Will, which we shall gladly do without charge. You can then have it drawn in proper legal form, naming The Royal Trust Company your Executor and Trustee, execute the Will and file it with us for safekeeping.

It is not wise to be
A MAN WITHOUT A WILL

TEACHERS HOLD CONFERENCE AT EAST KELOWNA

EAST KELOWNA — The East Kelowna school was the scene Saturday morning, May 4, of the monthly meeting of the Kelowna District Rural Teachers' Association. Seventeen teachers representing schools from Peachland to Winfield were present.

A half-hour radio demonstration was put on by the pupils of Division 1 and all material was written by the pupils themselves. This was followed by a short explanatory talk by M. N. Barwick, principal of this school.

East Kelowna school is one of few rural schools with a microphone hook-up to the class room radio, which enables students to simulate radio broadcasting. This is valuable in speech training and in written language.

Mrs. E. P. Bailey, Division II teacher, gave an informative talk to the assembled teachers on loom weaving in the school.

This proved interesting as loom weaving is becoming a more important branch of school arts and crafts.

Mr. Black, of South Kelowna school, gave a report on the Teachers' convention held in Vancouver at Easter.

Geoffrey Johnson arrived home Monday, May 6, from Vancouver, where he completed the first year of a course in agriculture at the University of British Columbia.

The children have had to forego a good part of their Saturday mornings, which they didn't like very much at first. But as soon as they discovered what it was all about, they changed, and now they look forward to their Saturday mornings with keen interest. They can hardly wait now to appear at the musical festival at Pentleton this week," informed Mrs. Magee.

Music Expression
The early appeal of music is essentially rhythmic, she believes. That is why the instruments of per-

Children's Rhythm Band Makes Debut Before Large Audience

Band Formed Last Fall Gives
Children Chance to Express
Selves with Music

The Okanagan's latest and newest rhythm band has made its local debut.

Last Friday and Saturday nights at the Scout Hall, a hush fell upon the large audience during the height of a sports program when it was announced that the Kelowna Children's Rhythm Band would play. Attention was focused upon a group of children, aged from eight to eleven years, who took up their positions on the stage. A pretty sight they were, all draped with short red capes and with red bell-top type hats. Teacher Mrs. Ethel Magee, at the piano, gave the signal. Cute little Marlene Smith came down with her baton. The applause was spontaneous. The debut was a definite success.

Believing that rhythm is the logical medium of self-expression, and is an element of music responded to by the child, Mrs. Magee formed her little band last fall, and the process of moulding it together into a rhythmic harmonious unit has been a long one, but well rewarded, results have shown.

The first game of the league was played in Peachland, May 5th. Officers of the club are, coach, Jack Bradley; W. E. Clements, manager; Verne Cousins, captain; C. C. Heighway, president; P. C. Gerrie, secretary-treasurer; Graham Gerrie, but K. Pulks, T. McLaughlin, H. Birke-

boy, Gus Sundstrom, assistant official scorer. Players and members

are H. Cousins, D. Cousins, O. Duquemin, Tomo Naka, E. Sutherland, K. Pulks, T. McLaughlin, H. Birke-

lund, O. Williamson, C. Bentley, C. Stump, A. Schultz and Ray Neil.

With over 700 members now on the rolls, the need for increased accommodation is becoming pressing, and plans are being pushed for the additional building.

Changes in the executive of the Canadian Legion recently include the appointment of C. M. Lipsitt to chairmanship of the House and Grounds committee.

In line with their policy of promoting junior sport in the city, the Legion are working on plans for sponsoring junior softball and lacrosse teams in local leagues. They will be added in the same way as the Canadian Legion "Pioneer" basketball team, who played in the junior league here last winter.

Sport on the home front for Legion members has been run on a quiet, but just as enthusiastic line. Much interest was aroused by the recent billiard and snooker tournaments. P. L. "Red" Lewis came out on top in the snooker tournament, beating Bill McCall and Floyd Brown in the finals. Wally Ryder took the billiard tournament by nosing out Bill Woods, Sr.

LOCAL LEGION BAND VISITS WENATCHEE

The Canadian Legion Pipe Band left Kelowna last Wednesday for Wenatchee, where they played at the internationally famous Wenatchee Blossom Festival. This is in the nature of a much-repeated return engagement for them. For the past few years the scarlet-clad kilts and pipers have been a major attraction at the festival, becoming extremely popular with the neighbors to the south. Vice-president J. H. Fisher, of the local executive, accompanied the band.

Changes in the executive of the Canadian Legion recently include the appointment of C. M. Lipsitt to chairmanship of the House and Grounds committee.

In line with their policy of promoting junior sport in the city, the Legion are working on plans for sponsoring junior softball and lacrosse teams in local leagues. They will be added in the same way as the Canadian Legion "Pioneer" basketball team, who played in the junior league here last winter.

Sport on the home front for Legion members has been run on a quiet, but just as enthusiastic line. Much interest was aroused by the recent billiard and snooker tournaments. P. L. "Red" Lewis came out on top in the snooker tournament, beating Bill McCall and Floyd Brown in the finals. Wally Ryder took the billiard tournament by nosing out Bill Woods, Sr.

NEWS OF INTEREST
to WOMEN

Mr. and Mrs. G. F. Battiston, of Kamloops, were visitors in Kelowna during the past week.

Mr. and Mrs. Walter R. Harrison, of Toronto, spent a few days in Kelowna this week, while on a trip to the Coast.

Mr. and Mrs. H. J. Moses, of the B.C. District, Vernon, arrived in Kelowna last week and have purchased a home on Pender Street.

Miss Margaret Strachan, of Armstrong, was a recent visitor in Kelowna, the guest of her parents.

Mrs. J. C. Kennedy returned to Kelowna last week from Vancouver, where she spent three weeks. Mr. Kennedy and Guilor arrived in Kelowna on Monday from the Coast. The former has been a patient in the Vancouver General Hospital for the past month and the latter has been attending the University of British Columbia.

Miss Elsie Naylor was a recent visitor at Deep Creek, the guest of her parents.

Mrs. R. McKee and her daughter, Roberta, attended the Okanagan Valley Musical Festival, which was held in Penticton this week.

Mr. and Mrs. W. F. Hopkins are spending the next three weeks holidaying at Campbell River.

Mr. and Mrs. Wm. Robson returned on Saturday from the Coast, where they spent three weeks holidaying.

Mr. and Mrs. J. F. Hampson returned at the week-end from Victoria, where they attended the graduation of their daughter, Sheila, from the Royal Jubilee Hospital.

The president, Mrs. E. Melsted, and members of the Kelowna Film Council, entertained on Wednesday evening, May 1, at the Willow Inn in honor of Vernon and Penticton Film Councils. Two colored films were shown, "The Four Seasons" and "Eskimo Arts and Crafts".

Mrs. Frances Buck and her two sons, Russell and Gordon, of Kelowna, were the guests of the former's mother, Mrs. J. Dayton Williams, Vimy Avenue.

Local Scouts and Guides Meet
Lady Baden-Powell Saturday

World Guide Chief Will Visit
Okanagan for One Day

Kelowna Girl Guides, Brownies, Scouts and Cubs will be among the 1,000 children meeting in Vernon on Saturday, May 11. The occasion is the visit to the northern city of Lady Baden-Powell, Chief Guide of all Guides and Brownies in the world.

The widow of the founder of the Boy Scout and Girl Guide movement is touring Canada for the next three months under the auspices of the Canadian Council of Girl Guides' Association.

The famed traveller will spend several days in each province and Vernon will be her only visit to the Interior.

Lady Baden-Powell arrived on this side of the Atlantic in January and has visited in Cuba. She is also fresh from a tour of many of the Western European countries. The two last tour she made, the two movements had increased greatly during the war years in spite of having been forced underground.

Before her marriage in 1912, Lady Baden-Powell was Olive St. Clair Somers, the third and youngest child of Harold Somers. She was born on February 22, 1889, her birthday being on the same day as that of her future husband. Her greatest interest in childhood was in the outdoors, and in riding, swimming and skating, all of which she did well. It was on a trip to Jamaica with her father that she met Chief Scout, then General Baden-Powell, and eight months later in England they were married. In July, 1930, Lady Baden-Powell was appointed World Chief Guide, which appointment she still holds.

The main item on the Vernon program is the Guide rally in the Civic Arena at 2 p.m. All those interested are invited to attend. Lady Baden-Powell will inspect the assembly, and take the march past. Then she will give a short address to the gathering. A colorful addition to the program will be a candle-lighting.

A free meal will be provided for all the visiting children. Lady Baden-Powell will be entertained at a luncheon at the National Hotel. The final item on the program will be a civic reception for Lady Baden-Powell in the Canadian Legion War Services Hall later in the afternoon.

LOCAL NURSES
GET DIPLOMAS

Jocelyn Sheila Hampson, Patricia Mary Johnson, Margaret Ruth Patterson and Marion Patterson, all of Kelowna, were among those to receive their diplomas among the 1940 graduating class of the Royal Jubilee Hospital in Victoria last week.

The flower-banked platform, with the nurses in their stiff white starched uniforms, each carrying a bouquet of red and white carnations, made an impressive sight, when they received their diplomas on Thursday evening, May 2, at the Metropolitan Church.

Dr. T. W. Walker, superintendent of the hospital, awarded the diplomas to the graduates, and Miss A. F. Mitchell, R.N., director of nursing, conferred the badges.

Mr. and Mrs. A. R. Lord, of Vancouver, were visitors in Kelowna last week and were registered at the Royal Anne Hotel.

Miss M. Murrell, of Penticton, was a visitor in Kelowna for a few days last week.

Around The Town With Audrey

READY FOR ANYTHING

That's the idea behind the furor this season for a sports ensemble that includes three or four changes... all in one outfit... Such an ensemble revolves around a brief blouse... out to show a bit of the rift... then there's a short skirt... for tripping off to the store... and for dinner and evening wear... a very full floor length skirt... for dashing around the house in the morning... a pair of slacks cut on the smartest of lines... you could make this group in nothing flat...

FROM NEW DELHI

A 73 year old Indian scientist has successfully produced a fabric as soft as wool... and as warm as silk... and as light and cool as silk... from the fibres of the little known Indian plant known as Ramie... the scientist thinks these fibres can be developed into a cheap substitute for wool... cotton... and silk... who knows this plant may revolutionize wearing apparel...

CUCUMBERS

Last week saw the arrival of these cool, refreshing vegetables... which add such a spring-like touch to your menu... they are good stuffed and baked too...

THIS SUMMER YOU'LL WEAR

PARASOL SLEEVES... Have you seen them yet?... It's summer's new sunshade for shoulders... it gives your arms the soft grace of a dancer's... and they are cool, graceful and flattering...

BUCKLE BELTS... These are wide and good... worn as a trademark with your slacks and suits... the equestrian type can be polished with saddle soap... they will last forever...

FOR THE BRIDE... Did you know that a basic kitchen list has at least 61 articles on it?... everything from a double boiler to a knife case to hold... the paring knife, the steak knife, roasting knife, the cook's knife, the all purpose knife and the ham knife... And that according to statistics is merely the beginning...

PINK LADY

Have you seen the authentic Canadian print models displayed in the windows of a local dress shop?... Mayfair's cover this month features these dresses... one for afternoon and one for evening... they are as gay and merry as May itself... and such beautiful material... think of the lift she would get wearing one...

RUNNING SHOES

One store has a huge selection of both this type and gym shoes... make sure you get yours early... also featured this week, at the same store are boy's flannel shorts in sizes from 4 to 12 years... a real treat is varied too...

NEW POTATOES

Yes, they are expected to make their first appearance in Kelowna any day now... after the scarcity of even the old brand during the past few weeks, they will taste exceptionally good...

SUN BONNETS

A fine variety of these essential articles are in for the kiddies... silk crepes, piques with organza trim, cotton prints and so on... they are reasonably priced too...

OLIVE OIL

Most stores have a fairly good supply of this oil in again after the war years... for those who like it in salads it will be welcomed with open arms...

PRIORITIES OUT

Service men will probably lose their priorities for suits and coats come September due to the anticipated improvement in supplies... prices are expected to go up also... no increase in the supplies of woollens is expected until Great Britain starts exporting once again.

PUT ON A NEW FRONT

A new ruffled front or a stand alone pique edged with eyelet will give you the look of a new dress... high elegance... many of these dainty dummies are available here...

HAVE YOU CONSIDERED?

If sewing for yourself this spring... the new peek-a-boo neckline... the fledgling hipline... angle wing sleeves... double decker sleeves... rows of snowy rick rack frills... and of course those gloves and hats to match... or belts and gloves of the same material... all these are fashion's latest forecasts... would be terrific if they all went together...

MORE ABOUT WOOL

One store has a counter display of the latest fine angora wools so hard to get during the past years... also some of the angora... the latter is nice for trimming sweaters and bonnets...

AND MORE ABOUT BLOUSES

A nice variety of new blouses arrived the other day... some casually tailored... others as fussy as can be... all worth looking at...

LITTLE GIRLS' GOWNS

Faile dressing gowns in lovely come in sizes to fit your growing daughter... they are in... make a good birthday gift... think of the lift she would get wearing one...

MOTHER'S DAY

Keep this in mind while you are shopping... the stores are full of suitable articles just meant for her store are boy's flannel shorts in sizes from 4 to 12 years... a real treat is varied too...

Saint Michael and
All Angels' Church

SUNDAY — MAY 12th — 11.00 a.m.

DEDICATION OF COMMUNION SILVER:

Being the Parish Memorial to Those Who Died in Service of Their Country.

DEDICATION OF EAST WINDOW:

In Memory of the late Archdeacon Thomas Green, First Rector of the Parish.

THE SACRAMENTAL RITE OF CONFIRMATION:

The Most Reverend W. R. Adams, M.A., D.D., Archbishop of Kootenay, will officiate.

Brides

LARSON—MELDRUM

A wedding ceremony of local interest took place at Christ Church Cathedral in Vancouver, on Friday, April 26, when Iris, daughter of Mr. and Mrs. G. Meldrum, of Kelowna, became the bride of George Larson, son of Mr. and Mrs. A. Larson, Rev. Dean Cecil Swanson performed the ceremony.

The bride, in white lace over satin, was attended by her sister, Miss Edna Meldrum, and George Meldrum was the groomsmen.

HORNBERGER—TREE

A quiet wedding ceremony took place on Wednesday, May 1st, at the Catholic Rectory, Kelowna, when Helen Middleton, daughter of Mr. and Mrs. F. Tree, of Kelowna, became the bride of Frank Henry Hornberger, son of Mr. and Mrs. H. M. Hornberger, of Okanagan Mission.

The bride wore a coral dressmaker suit with beige accessories and her corsage was of Cheerfulness narcissi, tea roses, tulips and heather. Gold earrings and matching brooch set with pearls were the gift of the groom and the bride's only ornament.

The bride's sister, Mrs. John Zdralek, was her only attendant, and she chose for the occasion a green and tan ensemble. Her corsage was of Fisher carnations.

John Zdralek, brother-in-law of the bride, was the groomsmen. After the ceremony a reception was held at the home of the groom's parents at Okanagan Mission. Mr. and Mrs. Hornberger left for Vancouver, where they will spend their honeymoon. Upon their return they will reside in Kelowna.

The groom recently returned from overseas, where he saw service with the British Columbia Dragons.

PASSMORE—DEWHURST

Billowing white net over taffeta, misted to floor length with drifts of tulle illusion, was worn on Saturday, April 27, by Irma Elizabeth "Betty" Dewhurst, who exchanged marriage vows with Albert George Passmore before Rev. Gerald W. Payne, at 2:30 o'clock, in Vernon United Church.

The formal wedding gown worn by the only daughter of Mr. and Mrs. Thomas Dewhurst, of Vernon, was cut with sweetheart neckline. The twin layers of net which formed the skirt, we caught with tiny white satin lover knots, and she carried a bouquet of red and white carnations. Her groom is the eldest son of Mr. and Mrs. A. C. Passmore, of Stoney Creek, Ontario, recently discharged from army service.

The bride was preceded by the aisle by Miss Margaret Mitchell, of Kelowna, and Miss Ariel Lantz, of Vernon. Both attendants wore net floor length gowns of pale blue and blush pink respectively, the latter mounted over broad satin. Pink and white carnations were carried by Miss Mitchell, while Miss Lantz's gown was offset by a spray of blue iris and white carnations.

Carl Wylie was the groomsmen and Walter Bennett Jr. and Bill Wilson acted as ushers.

Following the ceremony a reception was held at the home of the bride's parents. The principals sat under a canopy of pink and white streamers and bells at the bride's table, which was centred with the three tiered wedding cake embedded in tulle, flanked by vases of carnations. The tea table, laid with a broad cloth and daintily appointed, was decorated with pink and white tulips and carnations.

Frank Boyne was toastmaster and Reeve Stanley Noble, of Armstrong, proposed the toast to the bride, which was responded to by the groom. Mr. Payne toasted the attendants, to which Mr. Wylie responded.

Mrs. Passmore donned a grey and cerise wool crepe dress, matching hat and topcoat and black accessories for her wedding trip by motor through the southern Okanagan. They will return to Vernon for a few days prior to leaving for Hamilton, where they will reside.

Out of town guests included Mrs. Mitchell, Harold Mitchell and Glen Patterson, all of Kelowna.

Miss Kay Salmer returned to Kelowna on Saturday after spending two weeks' holiday visiting in Victoria and Vancouver.

Visitors in Kelowna last week registered at the Willow Inn included: E. E. Seldon, G. W. Skeedling, E. Pellett, Mr. and Mrs. E. P. Winch, Mr. and Mrs. G. O. Tration, all of Vancouver.

Miss Florence Miller, of Penticton, was a visitor in Kelowna for several days during the week.

Mr. and Mrs. Charles Gaddes left on Wednesday morning by motor for the Coast, where they will spend a few days, returning to Kelowna on Monday of next week.

Mr. and Mrs. H. R. Pannett, of Vancouver, are visitors in Kelowna, guests of the Willow Inn.

Mr. and Mrs. D. A. Middlemass wish to announce the engagement of their elder daughter, Barbara Mary, to G. R. W. Ford, son of G. B. Ford, of Okanagan Mission, and the late Mrs. Ford. The wedding will take place in the autumn.

Mrs. Ethel Magee returned from the Coast recently, where she spent the Easter holidays visiting Miss Joan Jermaine, formerly of Kelowna, who now resides at Pender Harbor.

Miss Lee McGown spent the Easter holidays at her home at Notch Hill. The Misses Patricia and Gertrude McGown also were recent visitors at their home in Notch Hill.

Mrs. R. A. Henderson, of Vancouver, is visiting her daughter, Mrs. Ian Collinson, for the summer months.

Engagement
Mr. and Mrs. Bert Hill, 272 Vernon Road, announce the engagement of their youngest daughter, Dorothy, to Paul Krawchuk, 414 Maryland Street, Winnipeg, Man. The wedding will take place in Winnipeg early in June.

Two Kelowna girls were among the 85 graduates to receive their diplomas on Wednesday evening, May 1, having finished their training at St. Paul's Hospital in Vancouver. They are Miss Pamela Mary Folland and Miss Barbara Cook. The graduating exercises were held in the ballroom of the Vancouver Hotel before some 1,200 friends and relatives. Diplomas were presented by the Lieutenant-Governor, Archbishop Duke, Mayor J. W. Cornett, Mrs. Woodward and Mrs. Cornett.

Miss P. Guernsey, of Kamloops, was a guest of the Royal Anne Hotel during the week.

Mrs. C. M. Boyer, Bernard Ave., was hostess at a miscellaneous shower on Thursday, May 2, in honor of Miss Anne Steffanson, whose marriage took place on Monday, May 6th. Many useful and beautiful gifts were received from her many friends.

Alderman Wallace Lloyd and Mrs. Lloyd, of Kimberley, have been the guests of the latter's sister, Mrs. William Harvey. Mr. and Mrs. Lloyd are now spending several weeks at Woods Lake.

MAN'S WORLD

Ralph Brown left on Tuesday evening on a business trip to Vancouver.

A visitor in Kelowna during the week-end, the house guest of Mr. and Mrs. Hugh Shier, was Dick Misener, formerly of the local radio station. Mr. Misener recently returned from service overseas and left Kelowna on Tuesday evening for Vancouver, where he will join the staff of CKWX, as an account executive.

Jack Conway, son of Mr. and Mrs. J. R. Conway, Richter Street, arrived in Kelowna on Tuesday from Haney, to spend the next ten days here.

James Coventry has returned to his home in Vancouver after spending a few days visiting at the home of Mr. and Mrs. Ferman Bell, Belgo.

Forbes Adams and his son, Clifford, and Bill Baker, of New Westminster, have returned to their home after spending a week visiting at the home of Mr. and Mrs. Ferman Bell, of the Belgo district.

Lorne Matheson, son of A. S. Matheson, spent a week visiting at his home in Kelowna. He is a student at the University of British Columbia.

Stewart Gregory left at the week-end for Nelson, where he has been appointed branch manager for the British American Oil Company. Mrs. Gregory and child will join Mr. Gregory later in the month.

Friends of Maurice Lane held a stag party on Monday evening in his honor. Mr. Lane and Miss Florence Cartridge were married on Wednesday, May 8.

C. B. Whaley, of Bamfield, was a guest of the Willow Inn last week and returned to his home on Monday.

J. W. Dalrymple, of Penticton, spent several days in Kelowna during the week.

Neil Henderson has returned to Kelowna from Vancouver, where he has been attending the University of British Columbia.

E. O. MacGinnis, of Victoria, was a business visitor in Kelowna during the past week.

J. J. Sewell, of Victoria, was a guest of the Royal Anne Hotel for several days last week.

J. H. Constantine, of Vancouver, was a visitor in Kelowna for several days last week.

H. E. Cook, of Princeton, was a visitor in Kelowna last week, a guest of the Royal Anne Hotel.

Visitors in Kelowna during the past week from Maple Creek were E. H. Reardon and J. P. Curley.

W. P. Powell, of Summerland, was a Kelowna visitor for several days last week.

B. Van Norman and family, of Vancouver, are guests of the Royal Anne Hotel this week.

Mr. and Mrs. R. E. Cooper, of Vancouver, were registered at the Royal Anne Hotel during the past week.

S. C. Chapman, of Waterloo, Ont., spent a few days in Kelowna during the week and was a guest of the Royal Anne Hotel.

F. M. Buckland left on Thursday for the Coast.

John C. Goodfellow, of Princeton, spent a few days in Kelowna last week.

L. A. Needham, of Penticton, was a visitor in Kelowna during the week.

W. J. Anderson, local president of the Canadian Legion, left on Saturday for Vancouver on a business trip. While there he will take up the work of the Canadian Legion and the late Mrs. Ford.

Ladies Enjoy Crackers, Cheese At Annual United Church May Tea

Women Donate Sugar, Butter and Meat Coupons to Feed Europeans

Colorful tulips, bleeding heart and masses of fruit blossoms formed the setting for the annual May tea held at the First United Church Hall on Thursday afternoon, May 2nd, when a large attendance enjoyed the afternoon's entertainment.

Tea consisted only of crackers and cheese and a member of the local Ladies Board was present during the afternoon and collected coupons to the value of ten pounds of sugar, four pounds of butter and a good number of meat coupons. All these will be turned in to increase the food supplies being shipped to U.N.R.R.A.

Mrs. M. W. Lees and Mrs. S. M. Simpson, president of the Women's Federation, received the guests throughout the afternoon.

Mrs. Cameron Day, assisted by a committee consisting of Mrs. E. Cousins, Mrs. J. W. Hughes, Mrs. R. B. Staples, Mrs. F. Keevil, Mrs. H. Glenn and Mrs. C. Munro, was in charge of the tea arrangements.

The daintily appointed tea table was centred by a low bowl of tulips, bleeding heart and sprays. Mrs. J. N. Thompson and Mrs. W. R. Hicks presided at the urns during the afternoon.

A varied program was presented for the enjoyment of those present. Those taking part included Miss Dorothy Cowie, who played a piano solo; Miss Margaret Avison gave a violin solo and Miss Gwen Howe, of Westbank, sang several solos.

About sixty members of Miss Pratten's School of Dancing delighted the evening, May 4, at the United Church Manse, on Glenn Avenue, in Kelowna. Mrs. G. N. Lees and Mrs. F. F. Wright were the attendants. Rev. M. W. Lees performed the ceremony.

Mr. and Mrs. Don Jones, of Vancouver, spent several days visiting in Kelowna this week.

Mr. and Mrs. Roy Longley and Wallace Melke are fishing at Little River for the next two weeks.

gathering with their display of group Highland dancing and tap dancing, the children sang and the small members of the troupe drew enthusiastic applause from the spectators. The large number of dancers were augmented from other valley points. Funds realized from the afternoon's entertainment will be expended by the Federation to meet its year's allocation for Missionary work and other church services.

WOMAN LIBERAL LEADER COMING HERE NEXT WEEK

Mrs. S. C. Tweed, of Ottawa, assistant national director of the National Liberal Federation, will visit Kelowna next Tuesday, May 14, during the course of a tour throughout the interior of B.C. A tea is planned at the Royal Anne Hotel during the afternoon.

Mrs. Tweed, in charge of women's work for the Liberal Association, has been an active worker in political and social service fields for some years. She has been treasurer of the National Federation of Liberal Women since its inception in 1928.

While living in Waterloo and Winnipeg, Mrs. Tweed was active in the Women's Canadian Club, the Y.W.C.A. and V.O.N., and for some years was a member of the executive of the National Council of Women of Canada.

She has travelled widely in the United States and Canada as well as Great Britain and Europe.

On one occasion she flew "the Lindbergh circle" and visited Puerto Rico, Trinidad, South America and Jamaica.

During her travels she has addressed many women's organizations throughout the Dominion and U.S.A.

HOLD HEARINGS
A letter has been received by the City Council informing the Aldermen that the International Joint Commission will hold hearings in Osoyoos on June 21 at 10 a.m., and at Osoyoos on June 22.

HISTORICAL SOCIETY HOLDS ANNUAL MEETING

Frank M. Buckland was elected to a three year term as director of the Okanagan Historical Society at its annual meeting at the Royal Anne Hotel last Thursday, May 2.

The society is planning on publishing in book form, for public sale, the data contained in the society's eleven annual reports. The reports contain much valuable data on matters of historic interest to the Okanagan, which data was largely compiled by the late Leonard Norris, the founder of the society.

VETS' WIVES HOME SHORTLY

Two more wives of ex-servicemen are expected to arrive in Kelowna within the next week, according to word received by the local branch of the Red Cross Society. They are Mrs. Freda M. Somerset and seven months' old child, wife of J. N. Somerset, Winfield; and Mrs. Margaret White, wife of G. B. White, of Kelowna.

I.O.D.E. GIVE TO CANCER FUND

The Mary Ellen Boyce Chapter of the I.O.D.E. held its regular monthly meeting at the home of Miss B. Thompson, on May 1. Mrs. M. Sanborn, regent of the chapter, who attended the recent I.O.D.E. convention held in Victoria, gave a comprehensive report on the provincial meeting.

The chapter approved a donation to the local Cancer Fund and further plans were discussed in connection with the sale of home cooking and sewing, which will take place today, Thursday, May 9, at the Orange Hall, commencing at 2.30. Proceeds from the sale will be used to further the chapter's many activities.

Tea was served at the close of the meeting by Mrs. M. Sanborn and Miss B. Thompson.

Want to see meal-time enthusiasm?
Serve **CHICKEN FRICASSEE**

First choice for "perfect eating" in many a household is a fricassee filled with tender morsels of savory chicken. Or, perhaps your family prefers its chicken broiled or fried... cooked golden-brown, served steaming hot. Or roasted, with delicious chicken flavor melting through fluffy dressing? No matter which dish pleases your family most, Safeway has the chicken to make it best. Get a broiler, fryer, roaster or hen today. Safeway guarantees it perfect.

Carol Drake's favorite ways to cook chicken

Did you ever think of the many mouth-watering dishes that you can make with stewing hens? Below are some of our tested favorites for your taste approval.

FRICASSEE CHICKEN

Cut chicken in pieces, roll in flour and brown well in hot shallow pan. Cover with boiling water, add salt, pepper, chopped onion, parsley and celery leaves; cover and simmer until tender, about 2 hours. Add more hot water if necessary. Thicken liquid and serve over chicken.

SMOTHERED CHICKEN

Brown chicken as directed above, then place in casserole or baking pan. Add enough milk to half cover chicken, cover pan or dish and bake in moderate oven (350° F.) until chicken is tender, about 2 hours.

CHICKEN CURRY

Brown chicken as directed above. Cover with boiling water, add small chopped onion, celery, and 1 tsp. curry powder with seasonings. Cook as for Fricassee Chicken.

CHICKEN PIE

Cut chicken, place in large kettle and cover with boiling water, add 1 tsp. salt and cook covered until tender, about 2 to 2½ hours. Cool, remove meat from bones. Measure 1½ cups of broth and combine with 1 cup milk and 1½ cup thinly sliced celery. Make a paste of ¼ cup milk, 5 tsp. flour, and seasonings to taste. Add flour mixture to broth and cook until thickened, about 10 minutes, stirring constantly. Add chicken, 1 cup cooked peas and thoroughly heated. Pour into heated casserole, top with biscuit rounds and bake in hot oven (450° F.) 15 minutes or until biscuits are lightly browned.
